The United States Office of Management and Budget (OMB) issued standards for maintaining, collecting, and reporting federal data on race and ethnicity. Institutions are required to report the new categories in the Integrated Post-secondary Education Data System (IPEDS) surveys to the U.S. Department's National Center for Education Statistics (NCES).

[1]The College of Health and Human Sciences was formed administratively on July 1, 2010. Students officially will be enrolled January 2011. The new college brings together nine academic units including all programs from the College of Consumer & Family Sciences; Health and Kinesiology, Psychological Sciences, and Speech, Language and Hearing Sciences from the College of Liberal Arts; and the Health Sciences and Nursing programs from the College of Pharmacy, Nursing and Health Sciences (renamed the College of Pharmacy).

[2]U.S. students are residents of the United States. The value is the total student headcount minus the International student headcount (based on citizenship/visa codes)

[3]Percent Minority of U.S. students is calculated by taking Minorities divided by U.S. Students.

[4]Underrepresented Minority includes any indication of American Indian or Alaska Native, Black or African American, Hispanic or Latino, or Native Hawaiian/Other Pacific Islanders, including a break out of those from the Two or More Races category.
