PURDUE UNIVERSITY

Office of Enrollment Management

ENROLLMENT REPORT

for

Spring Semester 2006-07

Reported as of Official Reporting Date*

NOTE: PURDUE UNIVERSITY SYSTEM DEFINITION

Purdue University has administrative and external reporting responsibilities for the entire Fort Wayne campus (IPFW) and therefore maintains enrollment data for both Indiana University and Purdue University students. Information about Indiana University students at IPFW is included in this report. All students at Fort Wayne are included in Purdue University System figures.

Enrollment data for Purdue students at Indiana University-Purdue University at Indianapolis (IUPUI) are not maintained by Purdue University. Consequently, information about Purdue students at IUPUI is reported only in Tables 1 and 9. Purdue students at IUPUI are not included in Purdue University System figures.

Totals for the Purdue University System include West Lafayette, College of Technology Statewide System, West Lafayette Continuing Education, Calumet, Indiana-Purdue Fort Wayne, and North Central.

HIGHLIGHTS
PURDUE UNIVERSITY - OFFICE OF ENROLLMENT MANAGEMENT

Spring 2006-07

ALL CAMPUSES

* The total enrollment of 65,313 (including Indiana University-Purdue University at Indianapolis) increased by 1353 students compared to last spring.

* Regional campuses reporting increases in enrollment were Calumet which increased by 222, Fort Wayne-Purdue with an increase of 183, Indiana University-Purdue University at Indianapolis with an increase of 91, North Central with an increase of 80 and Fort Wayne-Indiana with an increase of 41. West Lafayette Continue Education registration processing was incomplete as of the reporting date.

* The College of Technology Statewide System, with a total enrollment of 1,260, reported increases at four of the eleven locations. Overall there was a total increase of 42 students. Lafayette had the largest increase with 66 more students, South Bend increased by 16, New Albany increased by 7 and Richmond increased by 4. The locations with decreases included Columbus (-62), Muncie (-10), Elkhart (-9), Indianapolis (-8), Anderson (-5) and Kokomo (-1). Versailles campus was closed. Greensburg campus was added with 44 students enrolling.

WEST LAFAYETTE CAMPUS

* West Lafayette enrollment increased from last spring by 673 students to 36,593. There was an increase of two percent in undergraduate students and an increase of about one percent in professional and graduate students.

* The sophomore class increased by 357, the freshmen class increased by 261 and the junior class increased by 175 students. The senior class decreased by 150 students.

* The undergraduate colleges/schools with the largest growth compared to the previous spring were the College of Liberal Arts (204), the School of Management (170), the Colleges of Engineering (121), Undergraduate Studies Program (111), the College of Consumer and Family Sciences (73), the College of Science (25), the College of Veterinary Medicine (12) and the College of Agriculture (10). The colleges with a decrease in enrollment were the College of Pharmacy, Nursing and Health Sciences (-42), the College of Education (-39), and the College of Technology with 6 fewer students.

* There were 378 more women and 295 more men this spring compared to last spring. Males continued to comprise 58% of the total enrollment.

* Ninety percent of all students were registered full-time. Of undergraduates, 94% were full-time students, which is same as last year.

* The mean credit hour load was 14.1 hours for all students which is same as last year.

* Based on fee residence, 59% of all students were Indiana residents. Approximately two-thirds of undergraduates (67%) were Indiana residents.

* The percentage of all students aged 17-21 was 50% of the population. The percentage of students between 22 and 25 years of age continued to be 33%, and those over 26 years of age were 17% of the population.

  The majority of undergraduates continued to be between the ages of 17-21 (63%). The majority of graduate students continued to be between the ages 26 and older (73%). Professional students were predominately between ages 22-25 (66%).

* Enrollment of Asian American students increased by 98 to a total of 1,830. African American students reflected an increase of 45 to 1,268 students. Hispanic American increased by 62 to a total of 986. American Indian increased by 29 to 165. The overall ethnic enrollment increased by 234 from 4,015 to 4,249 students.

* International student enrollment at the West Lafayette campus showed an increase of 82 students or 1.8% compared to last spring. Sixty percent of all international students were registered in graduate programs.

* Thirty-seven percent of all students lived in on-campus housing, including Purdue University housing, fraternities, sororities, cooperatives and Purdue Village. Another 43% lived in Tippecanoe County and six percent resided outside Tippecanoe County. 14% did not report a local address.
