Study Abroad Academic Approval Form

Study Abroad Program:

Partner University Name

City, Country

The following schools recommend this program be approved as an official Study Abroad Program with courses treated as Purdue offerings, granting both Purdue credit and grades to participating students. It is our understanding that students enrolled in this program will register at Purdue, be billed by the Bursar, and be considered as Purdue students while participating in the program, with all attendant responsibilities and privileges.

William Crossley, Head, Date
School of Aeronautics & Astronautics

John Sutherland, Head, Date
Environmental & Ecological Engineering
