We are pleased to announce the establishment of the Purdue Band and Orchestra Alumni Club. The mission of this organization: to bring together in organizational fellowship all former members and friends of all Purdue University Band organizations. The organization will serve as a sponsor for social and service activities for Purdue Bands and Orchestra including:

- Homecoming annual events and Campus Fair tie-in (receptions, dinners, etc.)
- Bowl alumni activities
- Historians – to compile band archives
- Emergency alumni band – Should the need arise, the club will assist the faculty and staff of the Department of Bands in securing an alumni band of area members to cover basketball games or other events in case the current band is unable to perform due to Bowl games, etc.
- Band liaison – When the marching band travels to away games or has the opportunity to travel to a local high school, PBOAC members may serve as a liaison between the area schools and the Purdue Band Department.
This may entail providing the band staff with research on the schools, including contact information, school size, quality of the band programs, etc.
- Student Recruitment – In coordination with University Bands department, help distribute recruiting materials and/or give informational presentations to local high schools, both in and out of state.
