

WINTER 2023

THE TWO HUNDRED FIFTY FIRST

COMMENCEMENT OF

*PURDUE  
UNIVERSITY*

Edward C. Elliott Hall of Music | West Lafayette, Indiana

## THE PURDUE HYMN

Close by the Wabash, in famed Hoosier land,  
Stands old Purdue serene and grand;  
Cherished in memory, by all her sons and daughters true;  
Fair Alma Mater, All Hail, Purdue,  
Fairest in all the land, our own Purdue.  
Fairest in all the land, our own Purdue.

---

## HAIL PURDUE

To your call once more we rally,  
Alma Mater, hear our praise;  
Where the Wabash spreads its valley,  
Filled with joy our voices raise.  
From the skies in swelling echoes,  
Come the cheers that tell the tale,  
Of your vict'ries and your heroes,  
Hail Purdue! We sing All Hail!

## CHORUS

Hail, Hail to old Purdue!  
All Hail to our old gold and black!  
Hail, Hail to old Purdue!  
Our friendship may she never lack.  
Ever grateful, ever true,  
Thus we raise our song anew,  
Of the days we've spent with you,  
All Hail our own Purdue.

# THE WINTER 2023 COMMENCEMENT:

## PURDUE'S 251<sup>ST</sup> COMMENCEMENT

### A PERSPECTIVE

The academic heritage that evolved since the Middle Ages provided us with a teaching institution, the university; a method of measuring academic progress, degrees; and a structure for an appropriate ceremony recognizing the student's achievement, commencement. In June 1875, Purdue University held its first commencement outdoors on the Oval, awarding the Bachelor of Science degree to a class of one. In 1903, commencement was moved indoors to the newly-completed Eliza Fowler Hall. The steady growth of the size of the graduating class necessitated moving the exercises to larger and larger facilities: the Memorial Gymnasium, the Armory, the Field House, and in 1940, to the Edward C. Elliott Hall of Music. In December of 1942, the first winter commencement was added with the first summer commencement added in August 1943. The commencement at the West Lafayette campus is being held today for graduates who qualified for their degrees at the end of the current semester. The colorful ceremony, enacted each year on campuses throughout the world, is the formal climax and recognition of the graduates' years of study and preparation. In 2023, across Spring, Summer and Winter Commencements, about 13,000 will graduate with their undergraduate, graduate or professional degrees from West Lafayette.

\*Designated as a Distinguished Military Graduate

The designation of "Distinguished Military Graduate" indicates selected individuals who have demonstrated a particularly high level of achievement while earning both an academic degree and a commission in the Armed Forces of the United States. Criteria used in making the selection include demonstrated performance and leadership in course work as well as in athletics and extracurricular functions. The candidate must also maintain at least a "B" average in all course work while ranking in the upper third of his or her contemporaries for the Army or Navy, or the upper tenth for the Air Force. Commissionees so designated receive an appropriately inscribed certificate from their respective service.

# PURDUE STUDENT ATHLETES

Graduates wearing the student athlete medallion are recognized for their hard work and dedication in balancing their equally demanding academic and athletic commitments. At Purdue, where student-athletes are real students, taking real courses, earning honest grades, this is no small accomplishment, and we applaud their achievement.

The following students in addition to being candidates for a degree, are also candidates for special recognition.

This program is not an official graduation list

While every effort is made to ensure accuracy in this commencement program, printing deadlines sometimes prevent inclusions of graduates' names, or may result in the use of names of persons not completing graduation requirements. This printed program, therefore, should not be used to determine a student's academic or degree status. The University's official registry for conferral of degrees is the student's permanent academic record, kept by the Office of the Registrar, Stewart Center Room 176, West Lafayette, IN 47907.

## FIRST DIVISION

### GUEST SPEAKER

**Gen. David D. Thompson**  
*Vice Chief of Space Operations*  
*U.S. Space Force*

Gen. David D. Thompson is the vice chief of space operations for the U.S. Space Force. As vice chief he is responsible for assisting the chief of space operations in organizing, training and equipping space forces in the United States and overseas, integrating space policy and guidance, and coordinating space-related activities for the U.S. Space Force and Department of the Air Force.

The U.S. Space Force organizes, trains, equips and maintains mission-ready space forces that provide missile warning, space domain awareness, positioning, navigation and timing, communications, and space electronic warfare for the North American Aerospace Defense Command, U.S. Strategic Command, U.S. Space Command and other combatant commands.

Thompson was commissioned in 1985 as a graduate of the U.S. Air Force Academy, and he received his Master of Science in aeronautics and astronautics from Purdue in 1989. He is a career space officer with assignments in operations, acquisition, research and development, and academia. Thompson has commanded operational space units at the squadron, group and wing levels; he is also an Olmsted Scholar, graduate of the Senior Acquisition Course and Level III-Certified Program Manager. Prior to his assignment as vice chief of space operations, Thompson was the vice commander of the U.S. Space Force.

### STUDENT RESPONDER

**Gretchen Isom**  
*Polytechnic Institute*

Gretchen Isom of Plymouth, Indiana, is receiving a Bachelor of Science degree in human resources development with a minor in human resources management.

Gretchen is a member of the Society of Human Resources, served as vice president of recruitment and marketing for Kappa Delta sorority and volunteered at local animal shelters while working with Helping Paws.

She worked as a human resource intern for LSC Communications in Warsaw, Indiana, and a shift manager at Culver Coffee Co. in Culver, Indiana.

After graduation, Gretchen plans to intern with PepsiCo as part of its human resources master's program.

## SECOND DIVISION

---

### STUDENT RESPONDER

---

Nicholas Buffo  
*College of Engineering*

Nicholas Buffo, from the suburbs of Kansas City, Kansas, is receiving a Bachelor of Science degree in biomedical engineering.

Nicholas served as a peer counselor in the Purdue College of Engineering and a teaching assistant in the Weldon School of Medical Bioengineering. He is an active member of Alpha Tau Omega fraternity and acted as president and financial director of Purdue's chapter of Big Brothers Big Sisters.

Nicholas worked as an undergraduate research assistant in the Chan Musculoskeletal Research and Innovation Lab at Purdue; a clinical and operations intern with CHRISTUS Health in New Braunfels, Texas; and an EMT with the Purdue University Fire Department.

After graduation, Nicholas will continue to work as a peer counselor in the College of Engineering. He is currently applying to medical schools for fall.

## THIRD DIVISION

---

### STUDENT RESPONDER

---

Audrey Birch  
*College of Health & Human Sciences*

Audrey Birch of DeMotte, Indiana, is receiving a Bachelor of Science degree in biomedical health sciences with a concentration in pre-medicine and a minor in biological sciences.

Audrey has served as a job preparation chair for Alpha Xi Delta, a Riley Relations Committee member for the Purdue University Dance Marathon and a team leader for the Boiler Gold Rush Student Orientation Committee.

After securing an internship through the London Internship Program, Audrey worked with Vita Boutique Fitness for a summer. She also earned a Summer Undergraduate Research Fellowship from the Engineering Undergraduate Research Office and worked in the Parkinson Lab.

After graduation, Audrey plans to pursue dual master's degrees in health care administration and business administration.

## THE JOHN MARTINSON HONORS COLLEGE

The John Martinson Honors College provides an interdisciplinary environment for undergraduate students from across all areas of study. Graduates of the Honors College are recognized with a medallion worn at graduation ceremonies, an honors designation on their diploma, and notation on their academic record. Students complete an honors enriched curriculum and conduct a scholarly research project.

The Honors College was established in 2013 with pathways to honors across majors. The Honors College was built on a rich legacy of honors programs at the college and departmental levels. The college was renamed in 2022 in honor of a transformational gift from Purdue alumnus, John Martinson.

The following students in addition to being candidates for a Bachelor's degree, are also candidates for special recognition for the satisfactory completion of the requirements in the Purdue Honors College.

# DISTINCTION AND HIGHEST DISTINCTION

## PROFESSIONAL AND UNDERGRADUATE DEGREES

The outstanding scholastic achievement of selected professional and undergraduate degree recipients is recognized by awarding the degree "with distinction" or "with highest distinction."

To be eligible for consideration, a graduate must have a minimum of 65 credit hours included in the graduation index for the professional or baccalaureate degree and 35 credit hours included in the graduation index for the associate degree, with a minimum graduation index of 3.30. The upper 10 percent of the graduates in each of the colleges or schools receive degrees "with distinction." Of the graduates who thus qualify, the upper three-tenths of the professional, baccalaureate and associate graduates receive their degrees "with highest distinction," regardless of the college or school from which they graduate.

The minimum graduation indexes thus determined in May for each college or school are applied for graduation "with distinction" and "with highest distinction" for the subsequent sessions. Recognition is evidenced by placing an appropriate seal on the diploma and entering an appropriate notation on the academic record. Graduates who are potential candidates for degrees "with distinction" wear gold honor cords; those who are potential candidates for degrees "with highest distinction" wear gold and black honor cords.
