Research Machining Services

(Division of Discovery Park)

We are a precision Machine Shop on campus, specializing in one-of-a-kind equipment. The Shop has both standard and CNC equipment with professional machinists able to create virtually anything your project needs in metal or plastic. If you are creating your own parts, we have a wide variety of raw materials for sale to support your project.

We are located at 694 S. Russell Street near MMDC.
