Named University Professors (Total 19)

- Jan P. Allebach – Michael J. & Katherine R. Birk Professor in Electrical & Computer Engineering
- Osman A. Basaran – Reilly Professor of Fluid Mechanics
- Alan M. Beck – Dorothy N. McAllister Professor of Animal Ecology
- Donald E. Bergstrom – Walther Professor of Medicinal Chemistry
- Richard B. Borgens – Mari Hulman George Professor of Applied Neuroscience in the School of Veterinary Medicine
- Stephen R. Byrn – Charles B. Jordan Professor of Medicinal Chemistry
- James A. Cooper – Charles William Harrison Professor of Electrical & Computer Engineering
- Richard A. Cosier – Leeds Professor of Management
- Prabuddha De – Accenture Professor of Information Technology
- David J. Denis – Burton D. Morgan Chair of Private Enterprise
- Jay P. Gore – Reilly Professor in Combustion Engineering
- E. Daniel Hirtleman Jr. – William E. & Florence E. Perry Head of Mechanical Engineering
- Manohar U. Kalwani – American United Life Insurance Company Professor of Management
- Charles L. Merkle – Reilly Professor of Engineering
- Robert D. Plante – Cullman Chair of Management
- Ahmed H. Sameh – Samuel D. Conte Professor of Computer Science
- Timothy D. Sands – Basil S. Turner Professor of Engineering
- Mark J. T. Smith – Michael J. & Katherine R. Birk Professor of Electrical & Computer Engineering
- Miletta M. Tomovic – W. C. Furnas Professor in Enterprise Excellence

Named Professors (Total 50)

- Steven R. Abel – Bucke Professor of Pharmacy Practice
- Howard Adler – C. B. Smith Professorship of Hotel Management
- Jay T. Akridge – James & Lois Ackerman Professor of Agricultural Economics
- Mark Bagnoli – Olson Chair in Management
- M. Katherine Banks – Bowen Engineering Head of Civil Engineering
- John M. Barron – Loeb Professor of Economics
- Mark H. Bernstein – Joyce & Edward E. Brewer Chair in Applied Ethics
- Charles A. Bouman – Michael J. & Katherine R. Birk Professor of Electrical & Computer Engineering
- John J. Contreni – Justin S. Morrill Dean of the College of Liberal Arts
- Melba M. Crawford – Chair of Excellence in Earth Observation within the Colleges of Agriculture and Engineering
- W. Nicholas Delgass – Maxine Spencer Nichols Professor of Chemical Engineering
- Diane K. Denis – Duke Realty Endowed Chair in Finance
- Natalia Doudareva – Wickersham Chair of Excellence in Agricultural Research
- Mara Faccio – Hanna Chair in Entrepreneurship
- Karen L. Fingerman – Berner-Hanley Professorship in Gerontology
- Philip L. Fuchs – Richard B. Wetherill Professor of Chemistry
- Suresh V. Garimella – R. Eugene & Susie E. Goodson Professorship of Mechanical Engineering
- Rao S. Govindaraju – Christopher B. Burke Professor of Civil Engineering
- Bruce R. Hamaker – Whistler Chair in the Department of Food Science
- Carol A. Handwerker – Reinhardt Schumann Jr. Professor of Materials Engineering

- Matthew T. Holt – Wickersham Chair of Excellence in Agricultural Research
- Kathleen C. Howell – Hsu Lo Professor of Aeronautical & Astronautical Engineering
- Monika Ivantysynova – Maha Named Professor in Fluid Power Systems
- Ananth V. Iyer – Susan Bulkeley Butler Chair in Operations Management
- Scott A. Jackson – Wickersham Chair of Excellence in Agricultural Research
- Leah H. Jamieson – John A. Edwardson Dean of the College of Engineering
- Deborah W. Knapp – Dolores L. McCall Professor of Veterinary Medicine
- James F. Leary – School of Veterinary Medicine Professor of Nanomedicine
- Robert J. Lucht – Ralph & Bettye Bailey Professor of Combustion in Mechanical Engineering
- Jayathi Y. Murphy – Robert V. Adams Professor of Mechanical Engineering
- Philip E. Nelson – Scholle Chair in Food Processing
- Nagabhushana Prabhu – James L. Solberg Head of School of Industrial Engineering
- David F. Radcliffe – Epistemology Professor of Engineering Education
- Timothy L. Ratliff – Robert Wallace Miller Director of the Purdue Cancer Center
- Jeffrey J. Reuer – Blake Family Endowed Chair in Strategic Management & Governance
- J. Paul Robinson – School of Veterinary Medicine Professor of Cytomics
- Kaushik Roy – Roscoe H. George Professor of Electrical & Computer Engineering
