- 2) Against an Associated Medical Facility and an Insured as a result of injury caused by a student intern while participating in any supervised practicum, field work experience, clinical training, or internship program in fulfillment of course requirements in an Allied Health Program; or
- 3) Arising out of rendering or failure to render any Medical Services at the Educational Organization's (i) Audiology and Speech Language Center, or (ii) Psychology Treatment and Research Clinics, which are open to the public;...
