

Keeping Track of Your Classes

Fill in the chart below with all of the classes you are currently taking. Keep track of the grades you earn, calculate your GPA, and record your class rank at the end of each school year. Be sure to research the colleges you're interested in to make sure you're taking all of the classes they require for admission.

Year in High School	9th Grade	10th Grade	11th Grade	12th Grade
	Course names, grades, and number of semesters	Course names, grades, and number of semesters	Course names, grades, and number of semesters	Course names, grades, and number of semesters
Math (algebra, geometry, advanced algebra, trigonometry, and calculus)				
Lab Science (biology, chemistry, physics, earth/space science, physiology/anatomy, etc.)				
English (grammar, composition, literature, speech, and vocabulary)				

Foreign Language				
Social Studies
