

Dr. Mary Sadowski, as Associate Dean at Purdue University, provides leadership for the School of Technology's strategic initiatives in diversity and undergraduate education; serves as coordinator of accrediting activities and initiatives, scholarships, and enrollment management; and provides leadership for activities related to student services. She also serves as a senior member of the dean's leadership team. Dr. Sadowski has taken an active role in developing a university wide component of Service Engagement and Learning to expand learner-centered, interdisciplinary, and experiential opportunities for students and promote personal growth, leadership, real-world problem solving, career development, and citizenship. Prior to becoming an associate dean, Dr. Sadowski was a full professor at both Purdue University and Arizona State University, and currently holds an appointment in the Computer Graphics Department. Her specialty is Computer and Technical Graphics and she has taught a variety of courses including CAD, Web Design, Animation, and Creative Thinking. Her research interests include enhancing visualization skills and creative thinking. She has published over 30 papers, presented over 45 technical papers, 12 workshops, and 4 textbooks.
