Timecard Quick Reference Card

With all the changes in the HR system that One Purdue is bringing, a quick reference guide is wonderful to have. You will find the "Biweekly Timecard" under the heading, "**HUMAN RESOURCES TIME ADMINISTRATION & COST DISTRIBUTION**" by clicking on the following link: http://www.purdue.edu/onepurdue/training/qrcs-job_aids.shtml

Benefits Bulletin

Check your mailbox for the June Benefits Bulletin. It is full of information on the impact on benefits that One Purdue will have. A few highlights include:

1. An option to specify TDA deductions as a percentage rather than a fixed dollar amount. Employees who choose this option will automatically have a proportional increase in TDA deductions when they receive an increase in pay.
2. Be sure to pay close attention to the areas that have been "grandfathered" into the system. Some changes may not affect you as others may.

Highlights from the State Budget Appropriations

This year's budget process in the Indiana General Assembly was very positive for Purdue University. A few of the highlights of this year's session include:

1. 3.6% increase in operating appropriations
2. 2% increase in Supplies and Expenses budget
3. 3% increase allotted for merit pay increase and departments can reallocate up to 0.5% for EMME awards
