

## Highlight Film/Videotape/Audio Tape

An institution may show a highlight film/videotape/audio tape to a prospect or the prospect's coach but may not send it to or leave it with the prospect or coach. Highlight films/videotapes/audio tapes are "game clips" that contain informational material that is related to a particular event or sports season. Any narration on the highlight film/videotape/audio tape must relate specifically to the event or sports season. Highlight films/videotapes/audio tapes may include only clips of actual athletics contests and activities that occur on the day of the contest that are directly related to the contest (e.g., pre-game player introductions, half-time band and cheerleader performances, locker-room talks, crowd reactions, sideline coaching staff activities, post-game on-field award presentations). The highlight film may not include clips of other activities that are only indirectly related to the contests (e.g., team travel, team meals, entertainment activities, practice activities, institutional facilities). Question of the Week: Can Purdue provide a team poster/schedule calendar to a high school for display?

Answer: No. Per NCAA Bylaw 13.4.1, member institutions are permitted to provide only the printed materials listed to prospects, coaches of prospects or any other individual responsible for teaching or directing an activity in which a prospect is involved. A member institution is not permitted to provide prospects with any recruiting materials not listed in 13.4.1. This is an all inclusive listing of materials that may be provided.
