

PURDUE WOMEN'S BASKETBALL PARKING INFORMATION

John Purdue Club Membership Level and Parking Lot Eligibility

John Purdue Club members may request one primary parking pass. Parking is allocated based on membership level with priority points considered only to define priority within giving levels. Because of membership growth and available inventory, parking lots are grouped into three different price points. We cannot guarantee specific lots.

Parking Pass Allocation Guidelines

Level	Lot Choices	Price
Champion	A, B, C, F	JPC Benefit
Olympian, All American & MVP	A, B, C, F	\$100
All levels	L, R (Shuttle bus available)	\$50
All levels JPC[^]	G	\$100 (Handicap accessible - Limited availability)
All levels JPC	H	\$50 (Handicap accessible - Shuttle bus available)

[^] Availability is determined by annual giving level followed by priority points. A state issued HC permit or placard must accompany application.

Additional parking passes are available for club members who purchase eight or more season tickets. These passes will be allocated based on a pass per four ticket ratio. Additional passes may be available based on demand.

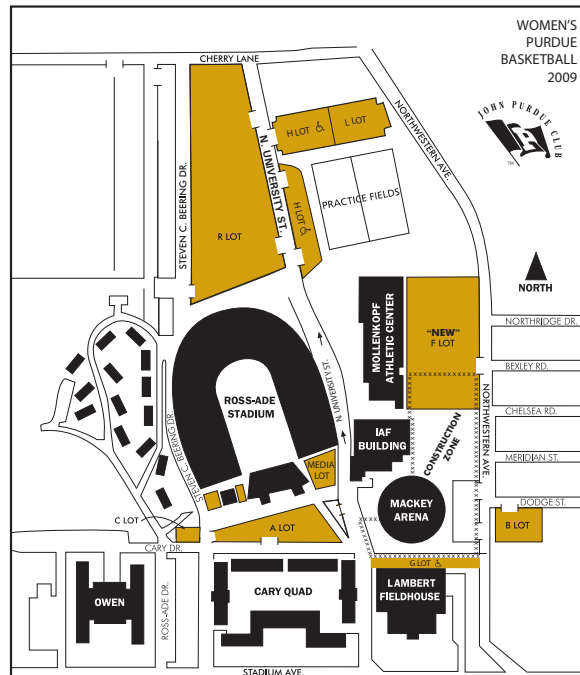

General public parking on game day is free in University garages.

Accessible Parking for Patrons with Disabilities

Handicap-accessible parking is available in Lot H for \$5 per game. John Purdue Club members may request handicap-accessible parking in Lot G or H. A free shuttle service is available from both lots beginning one hour before tipoff. Shuttle service continues until approximately 30 minutes after the game. In order to qualify, a member must submit, with their ticket application, proof that they have a state issued HC accessible permit or placard. HC permit or placard must be displayed in vehicle when entering the lot. Owner of permit or placard must be present.

Free Parking

Free parking is available in many University lots and parking garages on weekends and after business hours. Restrictions may change from game to game without warning. Please refer to regulations posted at the entrances to lots.
