OFFICE OF THE PRESIDENT

April 2017

Dear Student Honorees and Families,

Welcome to the 42<sup>nd</sup> Annual Black Caucus of Faculty and Staff Awards and Recognition Program! It is my honor to congratulate today's student honorees on your tremendous success and to thank you for your dedication to making Purdue University a great place for all.

This annual event shines a well-deserved spotlight on the many impressive achievements of our students. You exemplify the qualities that make Boilermakers special — hard work, dedication, strong leadership, and a passion for making a positive impact in your community. Partners in industry, academia and public service recognize this, and tell us time and again that they seek out our graduates for that very reason.

To the family and friends who have joined you here today, thank you for inspiring, supporting and encouraging these students. You are an essential part of the Purdue family. The members of our Black Caucus of Faculty and Staff also deserve congratulations today, because it is they who lead by example and do an extraordinary job of motivating and mentoring our students. Thank you for your hard work and commitment to the success of your students.

To today's honorees, congratulations on your outstanding success. We admire your accomplishments and are grateful for your commitment to excellence both in and out of the classroom. Keep up the great work.

Sincerely,

nited Daniel

Mitchell E. Daniels, Jr. President

April 15, 2017

Dear Students,

You are continuing a proud tradition of celebration and recognition. Today, the Purdue Black Caucus of Faculty and Staff honors undergraduates who have demonstrated exemplary academic and service leadership. This is a tribute to the caliber of our faculty, the devotion of our staff, and the dedication of our students. Much credit must also be given to the significant family support – emotional and otherwise! – that I know has helped you navigate your path through Purdue.

To our graduating seniors: We wish you continued happiness and great success whether you are seeking employment or furthering your education through an advanced degree. Don't forget to come back and see us. You will always be welcome at Purdue.

To the students who remain with us: We hope you will continue to devote your energies to academic achievements, co-curricular activities and service to the community. Finding the right balance will help you develop life skills and ensure that you stand out as leaders of the future.

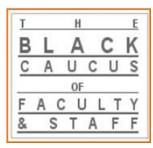

Congratulations to each of today's honorees. We are proud of you, as we know your families and friends are. Your excellence elevates us all.

Best wishes and Hail Purdue!

#### **Purdue Black Caucus of Faculty and Staff**

April 15, 2017

Dear Colleagues, Friends, Honored Guest and Students,

It is with great enthusiasm that I extend greetings on behalf of the Purdue Black Caucus of Faculty and Staff and welcome you to our 42nd Annual Academic and Service Award Celebration. This year we will honor over 200 students for their academic excellence, extraordinary service and exceptional leadership. Our honorees represent many disciplines from across the West Lafayette campus. Their presence and hard work have made, and will continue to make, significant contributions to Purdue University, the State of Indiana and throughout the global community.

The Academic and Service Awards Program is the Caucus' signature event that is made possible by the many contributions, both in-kind and monetary, from faculty, staff, university administration, parents, and friends. We are proud to acknowledge that this program is the single-largest gathering of African-American students and their families on Purdue's campuses. It is also the largest University-wide, trans-disciplinary annual awards program that is planned and executed solely by faculty, staff, and volunteer contributions. This program enables the Caucus to highlight one of our key by-laws, to promote charitable and educational activities that ensures the welfare and health of our African-American students.

A special thank you for your attendance today and continued support of our outstanding honorees. We invite you to attend the reception immediately following this program. We would also ask that you support the businesses and contributors that made this celebration possible.

Sincerely,

Famale 7 Morris

Pamala V. Morris, Chair Purdue Black Caucus of Faculty and Staff

#### **Melody Birmingham-Byrd**

Melody Birmingham-Byrd is president of Duke Energy's Indiana operations, the state's largest electric utility, serving approximately 810,000 customers in 69 of Indiana's 92 counties. She is responsible for Duke Energy's regulatory, governmental relations, economic development and community affairs work in Indiana. Byrd assumed her current position in June 2015.

Previously, Byrd served as senior vice president of Midwest delivery operations for Duke Energy. She oversaw the operations of the company's electric distribution system in Indiana, Ohio and Kentucky, including construction, maintenance, operations, engineering and resource and project management.

Prior to the merger between Duke Energy and Progress Energy in July 2012, Byrd served as vice president of the Southern Region for Progress Energy Carolinas. With more than 23 years of leadership and managerial experience in the electric and automotive manufacturing industries, she has served in the roles of general manager of distribution maintenance and construction, director of distribution resource management and construction, manager of transmission maintenance and resource management, and superintendent of maintenance at the Robinson fossil plant.

Byrd holds a Bachelor of Science degree in organizational leadership and management from Purdue University and a Master of Business Administration degree from Strayer University. She completed Progress Energy's Leadership Development Program at the University of North Carolina's Kenan-Flagler School of Business and the Contract Management Program at Clemson University. She is also a licensed project management professional through the Project Management Institute. In 2016, Byrd was awarded an honorary degree of Doctor of Humane Letters from Saint-Mary of the Woods College in Terre Haute, Ind.

Byrd currently serves on the boards of directors of the Indiana Electric Association, the Indiana Chamber of Commerce, Special Olympics Indiana, Central Indiana Corporate Partnership, American Association of Blacks in Energy, and is an incoming board member of the United Way of Central Indiana. She is also a member of the Power Delivery Committee for the Association of Edison Illuminating Companies and serves as a member of The Executive Leadership Council. She is a past board member of the South Carolina Chamber of Commerce, Greater Florence Chamber of Commerce, Francis Marion University Foundation, McLeod Hospital Foundation and the South Carolina Governor's School of Science and Mathematics Foundation. Byrd has also chaired the Excellence in Education Committee for the South Carolina Chamber of Commerce and served on the Healthcare Steering Committee.

## THE NATIONAL ANTHEM

#### The Star Spangled Banner

By Francis Scott Key

Oh, say can you see, by the dawn's early light, What so proudly we hailed At the twilight's last gleaming? Whose broad stripes and bright stars, Through the perilous fight, O'er the ramparts we watched, Were so gallantly streaming? And the rockets' red glare, The bombs bursting in air Gave proof through the night That our flag was still there. O say, does that star-spangled banner yet wave O'er the land of the free and the home of the brave?

## THE NEGRO NATIONAL ANTHEM

#### Lift Every Voice and Sing

#### By James Weldon Johnson

Lift ev'ry voice and sing, Till earth and heaven ring, Ring with the harmonies of Liberty; Let our rejoicing rise High as the list'ning skies, Let it resound loud as the rolling sea. Sing a song full of the faith that the dark past has taught us, Sing a song full of the hope that the present has brought us; Facing the rising sun of our new day begun, Let us march on till victory is won.

Stony the road we trod, Bitter the chast'ning rod, Felt in the days when hope unborn had died; Yet with a steady beat, Have not our weary feet Come to the place for which our fathers sighed? We have come over a way that with tears has been watered. We have come, treading our path through the blood of the slaughtered, Out from the gloomy past, Till now we stand at last Where the white gleam of our bright star is cast.

God of our weary years, God of our silent tears, Thou who hast brought us thus far on the way; Thou who hast by Thy might, Led us into the light, Keep us forever in the path, we pray. Lest our feet stray from the places, our God, where we met Thee, Lest our hearts, drunk with the wine of the world, we forget Thee; Shadowed beneath They hand, May we forever stand, True to our God, True to our ative land.

#### The Black Caucus

The Caucus traces its roots to discussions and informal meetings among African American faculty and staff on the Purdue University West Lafayette campus in the Fall of 1970. The concept for an organized group of Black faculty and staff initially was circulated by Dr. Buchanan, who held the position of Coordinator of Black Student Programs at the time. These discussions continued over the next few years until September, 1974, when faculty and staff members responded positively to a proposal from Mr. Sam Hay, Director of Africana Studies and Research Center, to develop a more formal organizational structure. An ad hoc leadership group began planning for the goal with monthly meetings at the old Black Cultural Center.

Under a constitution ratified in December 1974, African American faculty and staff members voted on April 17, 1975 to establish the *Black Faculty and Staff Council of Purdue University*, and elected as its first officers Dr. Luther Williams (Chairperson), Ms. Marion Blalock (Vice Chairperson), Dr. Darlene [Clark-] Hine (Recording Secretary–Treasurer), Mrs. Helen Bass Williams (Corresponding Secretary), Mr. Kenneth McNight (Parliamentarian), Capt. Jerome Adams, Mr. Samuel Hay, and Ms. Phoebe Coleman (Members-at-Large). Purdue President Arthur G. Hansen was duly notified later that month. By the Spring of 1976, the organization became known as the *Black Caucus of Faculty and Staff*.

The basic purpose, goals, and objectives of the Caucus have remained consistent across the life of the organization, and are articulated most clearly in its Constitution and Bylaws (1984): "The purpose of the Purdue Black Caucus of Faculty and Staff shall be:

- (a) To identify and act upon those issues which affect Black people at Purdue University and the greater Lafayette community, especially as they relate to the function of the University;
- (b) To institute and maintain an effective and positive relationship between the University and its Black constituency both on and off campus;
- (c) To reinforce self-awareness among Black people by implementing programs and activities designed to achieve these aims;
- (d) To gather and disseminate information about available talent, opportunities, and activities that will provide the University with a comprehensive understanding of the dynamics of the Black experience;
- (e) To carry out other activities of a charitable and educational nature to promote the welfare of Black faculty, staff, and students."

From its earliest years, the Caucus undertook monitoring the number and status of African American staff and students at Purdue, providing mutual support, and engaging upper administration in planning for change and advancement on matters of concern. One important, visible, and consistent function has been the Annual Awards Program. Initially begun as an "Academic Support Fund Dance" that raised money for academic merit awards and a possible emergency loan fund, the Caucus distributed 30 "incentive awards" to Black students for the end of the 1975-76 academic year. The Second Annual Academic Support Fund Dance honored 60 outstanding Purdue Undergraduates with cash awards, gifts, and certificated for excellence in scholarship, community service, and leadership. Continuing its tradition of honoring students using only voluntary donations, this 41st Annual Program will honor over 150 undergraduates of African descent at Purdue University.

## TRANSFORMING EDUCATION

### Strategic new directions to meet tomorrow's challenges.

At Purdue, we believe the best way to open minds to discovery is to shake things up. Fewer lectures. More real-world projects. More interaction with professors. It's how we prepare Boilermakers to use their talents and ambitions to change the world.

Purdue University, National Association of Multicultural Engineering Program Advocates Institutional Partner John A. Edwardson Dean of Engineering Ransburg Distinguished Professor of Electrical and Computer Engineering

Dean Leah H. Jamieson is the John A. Edwardson Dean of Engineering and the Ransburg Distinguished Professor of Electrical and Computer Engineering. A co-founder and past director of Purdue's EPICS (Engineering Projects in Community Service) program and 2007 President and CEO of the IEEE, Dr. Jamieson is a recipient of the National Academy of Engineering's Gordon Prize for innovation in engineering education, a member of the National Academy of Engineering and the American Academy of Arts and Sciences, and a Fellow of the IEEE and the American Society for Engineering Education. Dean Jamieson actively supports the Minority Engineering Program and along with the student support programs and students organizations at Purdue University that work to increase diversity, equity, and inclusion in engineering. Reflecting on the Minority Engineering Program and its long history, Dean Jamieson states: "It is a time to reflect on the history and stories of the underrepresented minority engineering students, faculty, and staff who have made Purdue a different, better place. I extend my heartfelt congratulations to the extraordinary people of Purdue's Minority Engineering Program. You have had - and will continue to have - a profound impact on our world."

Minority Engineering Program Purdue University

The Minority Engineering Program at Purdue University was initiated in 1974 as one of several initiatives to improve diversity and inclusion in the College of Engineering. Purdue's Minority Engineering Program is committed to engineering research and knowledge sharing with the international community through peer-reviewed publications and conference presentations.

Virginia Booth Womack Director

Although we strive to attract students from historically under-

represented groups, namely African American, Hispanic American, and Native American; our programs are open to all. MEP has been the key to Purdue's successful graduation of more than 2,700 engineering under-representated minority students to date. It is because of this success that other colleges and universities across the country have adopted Purdue's Minority Engineering Program model.
