Subject: Posthumous Degree

On December 10, 2014, Christine M. Ladisch, Dean, College of Health and Human Sciences sent a memo requesting a posthumous Bachelor of Science from Purdue University, West Lafayette for Lynda M. Glover.

The policy states the awarding of a posthumous degree by Purdue University requires that the deceased student completed:

1. At least 85% of the credit hour requirements
2. Most of the requirements for the major

At the time of her death, Lynda completed at least 85% of her degree requirements and most of her major. Lynda was registered as a candidate for May 2015 graduation. I have attached copies of the supporting documentation that was sent from the college.
