Subject: Recommendation of Dr. Ahmed Hassanein as the Paul L. Wattelet Distinguished Professor of Nuclear Engineering

From: Arvind Varma, R. Games Slayter Distinguished Professor of Chemical Engineering, Panel Chair

Date: January 27, 2015

The panel comprising the undersigned met to review the case of Dr. Ahmed Hassanein on January 27, 2015. During the meeting, Dr. Hassanein’s accomplishments were discussed in the context of various criteria for such designation, including outstanding credentials of scholarship, research publications, research funding, guiding of PhD students, teaching, external professional recognition and awards, professional and Purdue service, and external letters of reference.

The panel voted unanimously to approve Dr. Hassanein for the subject appointment.

Arvind Varma  
R. Games Slayter Distinguished Professor of Chemical Engineering  
Panel Chair
