

Promissory notes and supplemental sheets for Purdue Loans, Health Professional Loans, and the Federal Perkins Loan will need to be signed and completed electronically via **ECSI**. THE LOANS WILL BE DISBURSED ONLY IF THE ON-LINE ENTRANCE INTERVIEW HAS BEEN COMPLETED AND PROMISSORY NOTES ARE SIGNED. If you do not want one of these loans, you must contact the Financial Aid Office. Failure to complete this process will not automatically cancel the loan credits.

Parent PLUS Loans are to be used to help pay the

student's educational expenses. PLUS loan funds will be credited to the student's account towards tuition, fees, and University housing. After the student is officially registered (paid status), excess PLUS funds will then be disbursed directly to the parent **via check**. (No Direct Deposit of excess Plus loan funds is available at this time).

Parents and students should note that Stafford and PLUS Loan funds are sent to Purdue by Electronic Funds Transfer (EFT). Check endorsement is not necessary when funds are transferred electronically to Purdue.

RESTRICTIONS AND PENALTIES

The University reserves the right to restrict services, deny registration, impose late fees, assess returned check service charges (paper and electronic), and pursue approved collection methods against any account as is deemed necessary. The University may also terminate any student's registration as a result of late or insufficient payment.

INTERNATIONAL STUDENTS must purchase student health insurance or obtain a waiver by supplying proof of appropriate coverage. If you are an international student and insurance is not purchased or a waiver is not obtained **your account may be cancelled. Students should purchase a university health insurance plan, or provide proof of acceptable alternative insurance by September 6th**. Students can obtain additional information regarding health insurance coverage by accessing the PUSH website at <http://www.purdue.edu/push/billingInsurance> or by visiting PUSH Room 340.
