* Time entry includes absences (paid and unpaid) as well as non-exempt hours to be paid.

** Academic year staff who work during the summer will receive summer pay on the last working day of the month. Summer pay will be included in regular pay for August and May if applicable. To calculate summer pay for 2008 use the Summer Pay Calculator located at http://www.purdue.edu/payroll/Policies_Procedures/SummerPay.html.

*** August and May must have 22 days. To pay 1/18th of the annual salary in August and May the OnePurdue system pays 11 days out of 22 days (exactly 1/2 of monthly pay) for academic year staff. The period end date in August and May, the period start date in July and June, and the number of days in July and June may be adjusted to accommodate 22 days in August and May.
