In order to receive the tuition exemption, you must complete this form and return it to the Bursar’s Office, Hovde Hall/Continuing Education Office, Stewart Center, or your Regional Campus Business Office. A new form is required for each semester you take classes.

* In compliance with Indiana Public Law 22 (Acts of 1977) the Social Security number, as an identifier for educational purposes, has been replaced with the student identification number. For most students, this number is the same but will be designated differently. A student who does not wish to use his or her Social Security number as the student identification number should report to the Office of the Registrar.
