Ken Sauer, Ph.D.
Senior Associate Commissioner for Research
And Academic Affairs
Indiana Commission for Higher Education
101 W. Ohio Street, Suite 550
Indianapolis, IN 47204-1984

Dear Ken,

I am pleased to request routine staff action handling for the submission of five on-line Master of Science degree programs from the College of Technology at Purdue University West Lafayette.

Some months previously, the Graduate School was asked by the Commission staff to bring forward these on-line degree programs as a group. All five programs have been carefully reviewed by the Graduate School. All five of these on-line programs are for an existing, on-campus program and each program complies with the Policy on Approving Distance Education as passed by the Commission on May 11, 2012.

Here are the five on-line degree programs:

Master of Science in Aviation and Aerospace Management, CIP code 49.0104
Master of Science in Building Construction Management, CIP code 52.201
Master of Science in Industrial Technology, CIP code 15.0000
Master of Science in Computer and Information Technology, CIP code 11.9999
Master of Science in Computer Graphics Technology, CIP code 11.0803

Please let us know if you have any questions.

Thank you.

Best wishes,

Vic Lechtenberg
Acting Executive Vice President for Academic Affairs and Provost
