5. [Reserved.]

6. COMMON AREAS. To the extent applicable, Tenant shall have the non-exclusive right, in common with all other tenants in the Site and subject to any rules and regulations adopted from time to time by Landlord concerning the Site, to use the areas in and around the Site designated by Landlord from time to time as common areas, including, but not limited to, toilet facilities, hallways, stairs, and elevators (the "**Site Common Areas**"). Landlord shall operate, maintain, and insure the Site Common Areas for their intended purposes in such a manner as Landlord shall determine to be necessary or appropriate, including, without limitation that Landlord at any time may close or change any part of the Site Common Areas as it determines to be necessary or appropriate.

7. LANDLORD'S WORK. Landlord may construct and complete certain initial improvements to the Leased Property (the "**Landlord's Work**") to the extent required to substantially comply with plans and specifications attached to this Lease as EXHIBIT C (the "**Plan of Work**"), and made a part hereof by this reference upon execution by parties. Such construction shall be performed in a good and workmanlike manner using quality materials. Landlord must obtain prior written consent from Tenant prior to making any subsequent changes to the portion of Landlord's Work pertaining to the Leased Property. Landlord reserves the right to make changes, reductions, and additions without restriction in other areas of the Site (including all Site Common Areas but excluding the Leased Property), whether the changes are requested by other tenants, other Site owners, or deemed desirable by Landlord. The certification of Landlord's architect that Landlord's Work is substantially complete and in accordance with the plans and specifications shall be conclusive and binding upon the parties.

8. TENANT'S WORK. Tenant agrees to accept the Leased Property in its present "AS IS" condition. Further alterations of the Leased Property will be at Tenant's sole expense (unless otherwise stated in this Lease) and deemed to be "**Tenant's Work**." Tenant and Landlord shall approve and attach an EXHIBIT C (the "**Plan of Work**") to this Lease that shall include any drawings, statements of items being provided by Tenant and Landlord in the Leased Property, and any other necessary items that are needed to clarify Tenant and Landlord responsibilities for the condition of the Leased Property at the Commencement Date. Both Tenant and Landlord shall approve the Plan of Work as soon as possible following the execution of this Lease. Both Tenant and Landlord must approve any changes to the Plan of Work, in writing, prior to proceeding with the changes. Approval of plans and specifications by Landlord shall not constitute the assumption of any responsibility by Landlord for their accuracy or sufficiency or conformity with applicable laws, and Tenant shall be solely responsible for such plans and specifications and for all of Tenant's Work. Tenant shall not commence any of Tenant's Work until Landlord has approved EXHIBIT C. Once executed by the parties, the Plan of Work shall be made a part of this Agreement by reference.

Tenant's taking possession of the Leased Property shall be conclusive evidence of Tenant's acceptance thereof in good order and satisfactory condition. Tenant agrees that Landlord has made no representations as to conformance with applicable laws respecting the condition of the Leased Property or the presence or absence of Hazardous Materials (hereinafter defined) in, at, under or abutting the Leased Property or the environment. Tenant also agrees that no representations respecting the condition of the Leased Property, no warranties or guarantees, expressed or implied, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF HABITABILITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, with respect to workmanship or any defects in material, and, other than as set forth in the Plan of Work, no promise to decorate, alter, repair or improve the Leased Property either before or after the execution hereof, have been made by Landlord or its agents to Tenant unless the same are contained herein.

The term "**Hazardous Materials**" for purposes hereof shall mean any chemical, substance, material, or waste, or component thereof, whether in a solid, liquid or gaseous state, which is now or hereafter listed, defined, or regulated as a hazardous or toxic chemical, substance, material, pollutant or waste, or component thereof, by any federal, state, or local governing or regulatory body having jurisdiction, or which would trigger any employee or community "right-to-know" requirements adopted by any such body, or for which any such body has adopted any requirements for the preparation or distribution of a material safety data sheet ("MSDS"), including, without limitation, (a) the Resource Conservation and Recovery Act of 1976, as amended ("RCRA"), 42 U.S.C. § 6901 et seq; (b) the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. § 9601 et seq; (c) Federal Water Pollution Control Act/Clean Water Act, as amended ("FWPA"), 33 U.S.C. § 1251 et seq.; (d) Clean Air Act, as amended ("CAA"), 42 U.S.C. § 7901 et seq; (e) Toxic Substances Control Act, as amended ("TSCA"), 15 U.S.C. § 2601 et seq; (f) the Federal Hazardous Materials Transportation Act, as amended ("FHMTA"), 49 U.S.C. §§ 1801 et seq; (g) Safe Drinking Water Act, as amended ("SDWA"), 42 U.S.C. § 300, et seq; (h) Refuse Act of 1999, as amended (the "RA"), 33 U.S.C. § 407 et seq; (i) National Environmental Policy Act, as amended ("NEPA"), 42 U.S.C. § 4321 et seq; (j) Solid Waste Disposal Act, as amended ("SWDA"), 42 U.S.C. § 6901 et seq; (k) Federal Insecticide, Fungicide and Rodenticide Act, as amended ("FIFRA"), 7 U.S.C. § 136 et seq.; (l) Marine Protection, Research and Sanctuaries Act, as amended ("MPRSA") 33 U.S.C. § 1401 et seq.; (m) Noise Control Act, as amended ("NCA"), 42 U.S.C. § 4901 et seq.; (n) Occupational Safety and Health Act, as amended ("OSHA"), 29 U.S.C. § 651 et seq.; (o) Atomic Energy Act, as amended ("AEA"), 42 U.S.C. § 2011 et seq.; (p) Nuclear Waste Policy Act of 1982, as amended ("NWPA"), 42 U.S.C. § 10101 et seq.; (r) Hazardous Transportation Act (49 U.S.C. § 1802 et seq.) 9. **INSTALLATIONS.** Tenant shall at Tenant's expense furnish and install all fixtures, equipment and furnishings, and all electric wiring and fixtures needed in addition to those now installed in the Leased Property. Any fixtures or other equipment furnished by Tenant which can be seen from the outside of the Leased Property shall be of such type and quality and so located as to present a slight appearance from the outside and shall require the prior written approval of Landlord. Tenant shall, at Tenant's expense, furnish and install any equipment or furnishings, within the Leased Property, necessary to maintain compliance with fire and safety codes or the Americans with Disabilities Act Accessibility Guidelines for Sites and Facilities.

10. **RIGHT TO MAKE IMPROVEMENTS.** No material improvements, alterations, or additions to the Leased Property, other than as set forth in the Plan of Work, shall be made by Tenant without the prior written approval of Landlord, which approval shall not be unreasonably withheld. All improvements, alterations, or additions to the Leased Property desired by Tenant and approved by Landlord, shall be made at the sole expense of Tenant, in a good and workmanlike manner. Tenant shall not suffer nor permit any mechanic's liens to be filed against the fee of the Leased Property not against Tenant's leasehold interest in the Leased Property by reason of work, labor, services or materials supplied or claimed to have been supplied to Tenant. If any such mechanic's liens shall at any time be filed against the Leased Property or against Tenant's leasehold interest, Tenant shall, within forty-five (45) days after notice of the filing thereof, cause the same to be discharged of record by payment, deposit, bond, order of court of competent jurisdiction or otherwise. Nothing in this Lease contained shall be deemed or

construed in any way as constituting the consent or request of Landlord, expressed or implied, by inference or otherwise, to any contractor, subcontractor, laborer or materialman for the performance of any labor or furnishing of any materials for any specific improvement, addition, alteration or repair of or to the Leased Property or any part thereof, nor as giving Tenant a right, power or authority to contract for or permit the rendering of any services or the furnishing of any materials that would give rise to the filing of any mechanic's lien against the fee of the Leased Property. Tenant agrees to protect, indemnify, defend and hold harmless Landlord on account of any injury or death to third persons or property by reason of such alterations, changes, improvements or additions, and to protect, indemnify, defend and hold harmless Landlord from the payment of any and all claims of any kind or character on account of bills for labor or materials in connection therewith except to the extent caused by Landlord's negligence or willful misconduct. Further, Tenant agrees that it will not suffer, permit, or create any other liens or encumbrances against the Leased Property during the Lease Term without the written consent of Landlord being first obtained.

11. OWNERSHIP OF IMPROVEMENTS. All alterations, changes, improvements and additions installed on the Leased Property including but not limited to plumbing, wiring and lighting fixtures, water use improvements, heating and air conditioning, ventilating and exhaust systems, extensions, fume hoods, wet labs, and all other improvements of any nature other than unattached and movable trade fixtures of Tenant, shall, upon termination of this Lease, become the property of Landlord, without payment therefor, free and clear of any claims of Tenant with the exception of those which can be removed by Tenant without damage to the Leased Property (including Tenant's and wireless service providers' equipment), or with the understanding between Landlord and Tenant that Tenant will repair at Tenant's sole cost and expense, any damage resulting from such removal, and in a fashion acceptable to Landlord.

12. MAINTENANCE AND REPAIRS. Landlord agrees to keep the exterior of the Site, including the roof, exterior wall, gutters, downspouts, the supply pipes for water leading to the Leased Property, and the drainage pipes leading therefrom in good structural repair, except that Landlord shall not be required to pay for any such repairs or replacements which become necessary by reason of the negligence of Tenant, its agents, servants or employees. Tenant agrees to maintain the interior of the Leased Property and any alterations, changes, improvements and additions, and all equipment thereof and therein, including, but not limited to, maintenance of all windows and doors, at all times in good and sufficient repair, order and condition, and to pay all costs and expenses thereof, both ordinary and extraordinary, and all such materials, repairs and workmanship shall be equal, in Landlord's opinion, in class and quality to that originally placed in the Leased Property provided, however, that it shall not be required to perform any maintenance, repairs or replacements necessitated by the negligence of Landlord, its servants, agents or employees, by structural defect in the Site, or by fire or other casualty.

13. SERVICES AND UTILITIES.

Electric utilities shall be included in and a part of the Rent; except in the event that Tenant utilizes more utilities than would be required for a normal office setting, Landlord reserves the right to charge Tenant an amount equal to the anticipated additional utility costs, or install metering devices and charge Tenant for the exact amount of utility costs used by Tenant. Notwithstanding the foregoing, Tenant may install an electricity meter or submeter at the Leased Property, in which event any electricity charges will be based upon meter readings therefrom and will be the responsibility of Tenant.

Access to the fiber line and other telecommunication services will be contingent upon Tenant paying associated fees.

Tenant understands, acknowledges and agrees that: (a) any one or more of the utilities may be interrupted by accident, emergency, or other causes beyond Landlord's control, or may be discontinued or diminished temporarily by Landlord or other persons until certain repairs, alterations, or improvements can be made; (b) Landlord does not represent or warrant the uninterrupted availability of such utilities; (c) any such interruption shall not be deemed an eviction or disturbance of Tenant's right to possession, occupancy, and use of the Leased Property or any part thereof, or render Landlord liable to Tenant for damages by abatement of Rent or otherwise, or relieve Tenant from the obligation to perform its covenants under this Lease; and (d) Landlord shall not be liable to Tenant for any injury, loss or damage occasioned by the bursting, stoppage or leaking of water, gas, sewer, or other pipes. Landlord shall have no liability to Tenant (including without limitation liability for consequential damages or

loss of business income or opportunity) arising out of, resulting from, or related to any such interruption of services provided herein.

14. PARKING AREA. Tenant for itself, its employees, customers and invitees, shall have the non-exclusive right during the Lease Term and all renewals thereof, to use the parking area, adjacent to the Site, in common with Landlord and Landlord's other tenants, their employees, customers, and invitees. Said parking area shall be for the joint use of Landlord and for the use of the customers, employees, visitors, and invitees of said tenants for driveway, walking, or parking purposes. If an employee parking area is established, Tenant shall require Tenant's employees to park therein. Tenant shall not at any time materially interfere with the right of Landlord and Landlord's other tenants, their employees, customers and invitees, to use any part of said parking area.

15. TAXES. Landlord agrees to pay all State, County, and Municipal property taxes and assessments, notice of which is provided by Landlord, prior to delinquency, levied against the land covered by this Lease and all improvements thereon. Tenant agrees to pay all required taxes on personal property maintained by Tenant in or upon the Leased Property during the term of the Lease.

16. INSURANCE. Landlord shall carry, at Landlord's expense, first party commercial property insurance on the Leased Property. Tenant is solely responsible for carrying adequate insurance on all Tenant's personal property and that of its sublessees including, but not limited to, equipment, furniture, scientific devices, supplies, personal items, or other items installed and belonging to Tenant or any of its sublessees and located within the Leased Property.

17. DAMAGE TO OR DESTRUCTION OF SITE. Tenant covenants and agrees that in the case of damage to, or destruction of, any improvements located on or constituted a part of the Leased Property, Tenant may, at its option and its sole cost and expense, repair, or replace the same as nearly as possible to their condition immediately prior to such damage or destruction, to the extent necessary to restore the value and utility of such improvements. Tenant's obligation to make payment of the Rent and all other charges on the part of Tenant to be paid, and to perform all other covenants or agreements on the part of Tenant to be performed, shall not be affected by any such damage or destruction, regardless of the cause thereof.

18. DUTY TO INDEMNIFY FROM THIRD-PARTY CLAIMS.

- a. Tenant agrees to indemnify, defend, and hold harmless Landlord against and from any and all losses, expenses, and damages extending from claims brought by or on behalf of any person or persons, firm or firms, corporation or corporations for damages, either to person or property, resulting from Tenant's use of the Leased Property. Tenant further agrees to indemnify, defend, and hold harmless Landlord against and from any and all losses, expenses, and damages extending from claims brought by or on behalf of Tenant or any person on the Leased Property, whether by invitation or license expressed or implied, for any damage, either to person or property, sustained (i) by reason of the condition of the Leased Property, (ii) due to the act or neglect of any employee of Tenant, or (iii) due the act of any occupant of the Leased Property or other persons in the Leased Property. In no event shall Tenant be liable for consequential damages or loss of business income or opportunity hereunder.
- b. Landlord agrees to indemnify, defend, and hold harmless Tenant against and from any and all losses, expenses, and damages extending from claims brought by or on behalf of any person or persons, firm or firms, corporation or corporations for damages, either to person or property, resulting from Landlord's use of the Site or Landlord's property, excluding the Leased Property (collective, "**Landlord's Property**"). Landlord further agrees to indemnify, defend, and hold harmless Tenant against and from any and all losses, expenses, and damages extending from claims brought by or on behalf of Landlord or any person on Landlord's Property, whether by invitation or license expressed or implied, for any damage, either to person or property, sustained (i) by reason of the condition of Landlord's Property, (ii) due to the act or neglect of any employee of Landlord, or (iii) due to the act of any occupant of Landlord's Property or

other persons in Landlord's Property. In no event shall Landlord be liable for consequential damages or loss of business income or opportunity hereunder.

19. EVENTS ON DEFAULT. Any of the following shall be an Event of Default under this Lease:

- a. Tenant's failure to pay any installment of Rent or any other payment due hereunder within ten (10) days after it becomes due;
- b. Tenant's failure to perform or observe any other covenant, term, or condition of this Lease to be performed or observed by Tenant, if the failure continues for thirty (30) days after written notice thereof is given to Tenant; provided, however, that if cure cannot be reasonably effected within such thirty (30) day period, Tenant shall have such additional time as is necessary to effect such cure, so long as Tenant commences its efforts to cure within such thirty (30) day period and pursues such cure diligently to completion; or
- c. Abandonment of the Leased Property.

The failure of Landlord to exercise any of its rights or remedies under this Lease upon any default by Tenant shall not be deemed a waiver of any such default nor of any of the provisions of this Lease and shall not preclude Landlord from the exercise of any such rights and remedies upon any subsequent date whether for a previous or subsequent default.

20. LANDLORD'S REMEDIES. Upon the occurrence of any Event of Default, Landlord may, at its option, in addition to any other remedy or right it has hereunder or by law, terminate this Lease at any time upon the date specified in a written notice to Tenant. Termination of the DAS Agreement shall automatically terminate this Lease. In addition, termination or expiration of this Lease shall provide with Tenant with the right to terminate the DAS Agreement without further liability, upon at least thirty days' written notice to Landlord provided to the address set forth in the DAS Agreement.

21. RELOCATION OF TENANT. Landlord shall have the right upon at least one hundred eighty (180) days' prior written notice to Tenant to relocate Tenant and to substitute for the Leased Property other space acceptable to Tenant in the Site or in another site owned by Landlord in the vicinity, containing at least as much rentable area as the Leased Property. Such substituted space shall be improved by Landlord, at its expense, with improvements at least equal in quantity and quality to those in the Leased Property. Landlord shall reimburse Tenant for all reasonable expenses incurred by Tenant and the wireless service providers utilizing the Leased Property in connection with such relocation. In no event shall Landlord be liable to Tenant for any consequential damages as a result of any such relocation, including, but not limited to, loss of business income or opportunity.

22. ACCESS TO LEASED PROPERTY. Landlord may, at reasonable times, and after providing reasonable notice to Tenant, enter the Leased Property for the following: to inspect the Leased Property; to make repairs; to show the Leased Property to others during the last two months of the Initial Term or any Extension Period (provided Tenant has not requested an additional Extension Period); and to affix to and maintain in any suitable part of the Leased Property, during the last two months of the Initial Term or any Extension Period (provided Tenant has not requested an additional Extension Period), a notice for letting the Leased Property, which Tenant shall permit to be affixed without hindrance or molestation.

23. HOLDOVER. If Tenant shall occupy the Leased Property after the expiration of this Lease, having obtained the prior written consent of Landlord and having paid rent at the rate of the Rent for the Lease Term at expiration, such occupancy and payment shall be construed as an extension of this Lease with the Extension Period being on a month-to-month term on the terms and conditions of this Lease, unless and until either party gives the other thirty (30) days' prior written notice of the termination of this Lease, or the parties enter into an amendment of this Lease or a new lease.

24. VACATION OF THE LEASED PROPERTY. Tenant covenants and agrees to pay the Rent at the times and in the manner aforesaid, and at the termination of this Lease shall peacefully yield up to Landlord the Leased Property in as good order and repair as when delivered to Tenant, damage by fire, casualty, war or

insurrection, riot or public disorder, or act upon the part of any governmental authority, ordinary wear and tear, and damage by the elements excepted.

25. LIGHT AND AIR. It is agreed that this Lease does not grant a continuance of light and air over any property adjoining the Leased Property.

26. EMINENT DOMAIN. In the event the whole of the Site, or twenty-five percent (25%) or more of the Leased Property shall be appropriated under the power of eminent domain by any public or quasi-public authority, then Landlord shall provide a substitute location suitable to Tenant, in which event the provisions of Section 21 shall apply.

27. ASSIGNMENT. This Lease may not be assigned by either party without the prior written consent of the other party; such consent shall not be unreasonably withheld. Notwithstanding the foregoing, (i) Tenant may sublease part of the Leased Property to wireless service providers as set forth in Section 4 hereof and (ii) either party may assign all or part of this Agreement to an affiliate thereof upon notice to the other party.
