

The 2011 Community of Service Learning Faculty Fellows Presents:

Promoting Your Scholarship of Engagement

Ever wondered how/where/whether to represent your work as an engaged scholar or service-learning instructor on your CV or promotion document? Have you ever felt that your CV and promotion document do not fully represent all of your work? If you answer “yes” to either or both of these questions, then this workshop is for you. **Susan Curtis**, a CSLFF and co-author (with **Kim Wilson**) of the 2009 Review of Service-Learning at Purdue, will lead a hands-on workshop to help you make your service-engagement work visible. Participants will bring copies of their CV and promotion document and with some guiding questions will shape their documents to reveal in new, powerful ways all areas of scholarly expertise.
