Group Ordering Policies

1. Group seating is available to groups of 20 or more. Due to contractual limitations, there is not a discount on the ticket price, but groups will be allowed to submit ticket orders in advance of the general public. Groups will also have the advantage of reserved seating.
2. The reserved group block will be held until September 1, 2008 or until all the tickets in that block have been purchased. Group reservations may be submitted at any time, including before tickets go on sale June 6. Orders will be filled on a first come, first served basis. Payment is due at the time of reservation.
3. The box office will give you the best available seats at the time of your order. Due to the volume of orders received, the box office may not be able to show you your exact seating location when your order form is submitted.
4. Tickets will be mailed to groups or available for pick up at a Purdue box office starting June 10.
