

Indo-U.S. Science & Technology Forum

Who we are

The **Indo-U.S. Science and Technology Forum (IUSSTF)**, established under an agreement between the Governments of India and the United States of America, is an autonomous, not for profit society that promotes and catalyzes Indo-U.S. collaborations in science, technology, engineering and biomedical research through substantive interaction among government, academia and industry.

What we do

Foster excellence by capitalizing on the scientific and technological synergy
Disseminate information and create awareness through scientific exchanges
Build linkages through networking between academia and industry
Explore new frontiers by nurturing contact between young and mid-career scientists
Pave way to sustainable interactions and establish long term relationships
Encourage public-private partnership to inculcate elements of innovation and entrepreneurship

We support

Exciting and innovative collaborative programs cutting across disciplines and institutions

Symposia
Visiting Professorships
Advance Schools
Flagship Events
Knowledge R&D Networked Joint Centers
Industry Driven Programs

Conferences
Bilateral Workshops
Training Programs
Travel Grants
Public-Private Networked Joint Centers
Special Initiatives for Strategic Partnerships

We invite

Proposals which are peer reviewed both in India and USA for awards

Submission Deadlines

February
June
October

Award Announcements

May
September
January

How to contact us?
