

Department of Earth and Atmospheric Sciences
Operation of a departmental vehicle by Undergraduate Student Groups
10/10/05

Regulations:

1. All procedures on the "Guidelines for use of EAS Department Vehicles" must be followed.
 Note: Use of the gasoline credit cards requires prior departmental approval.
2. All passengers must be Purdue University students, staff, or faculty and affiliated with the Department of Earth and Atmospheric Sciences.
3. Only University employees with a valid driver's license may drive University of Department vehicles. A waiver may be requested for non-University employees to drive a University/Department vehicle from Risk Management.
4. Only students who are certified may drive the vehicle (i.e. obtain a waiver from Risk Management as stated above).
5. Maximum occupancy in a departmental vehicle (Suburban or Expedition) is 8 passengers.
6. An EAS faculty member must accompany the group of EAS undergraduate students in the departmental vehicle. It is the responsibility of the faculty member to verify student certification.
