Grade(s) Taught \_\_\_\_\_ Subject(s) Taught \_\_\_\_\_

1. Describe your background and teaching experiences. Include leadership activities, curriculum development, collaborations, in-service activities, professional organizations, trips, seminars, conference attendance and/or presentations, experiences that have enhanced your teaching. Include topics that you would like to develop for your classroom using the Indiana Curriculum Framework.

2. Explain what you hope to gain from the SISI program.

3. Submit a resume.

4. Submit a recommendation/letter of support from your school principal or district administrator that includes a written statement agreeing to provide release time two days for you to attend HASTI in February, 2009.

### **Send applications to:**

**Ms. Sally Louk, SISI Program  
Department of Earth and  
Atmospheric Sciences  
550 Stadium Mall Drive  
West Lafayette, IN 47907-2051**

## **Application Due: June 6, 2008**
