To Display the 1098T in Chrome:

1. Allow pop-ups within Chrome from the TouchNet payment Portal.
   a. Click on the wrench icon in the upper right hand corner.
   b. Select ‘Manage Exceptions’ from the ‘Pop-ups’ menu item.
   c. Type “https://secure.touchnet.com” in the ‘Hostname Pattern’ box and hit the ‘Enter’ key.
Pop-up Exceptions

<table>
<thead>
<tr>
<th>Hostname Pattern</th>
<th>Behavior</th>
</tr>
</thead>
<tbody>
<tr>
<td><a href="https://secure.touchnet.com">https://secure.touchnet.com</a></td>
<td>Allow</td>
</tr>
</tbody>
</table>

d. Close the options tab.
2. Click on the link to the 1098T.
3. When prompted, click on ‘Open in Adobe Reader’.
4. The 1098T should appear. When prompted to allow fillable text, click ‘Yes’.

Note: If the 1098T does not appear, close the ‘loading’ page, and click on the link again.
