

Purdue University: Success Resources

Academic Success Center

The Academic Success Center offers campus-wide workshops on study strategies, motivation, and increasing memory. Also offered – credit hour classes, and walk-in help.

Phone: (765) 494-5569 Website: <http://www.cla.purdue.edu/asc/>

Location: Beering Hall of Liberal Arts and Education (BRNG) Room 3268

Biology Resource Center (BRC)

The BRC offers tutors for core biology courses, course syllabi, past exams from core courses, taped lectures of core courses, and computer capability. Assistance for introductory biology courses, other than those in the core courses, is also available.

Phone: (765) 494-4983

Location: Lilly Hall of Life Sciences (LILY) Room G-414C

Chemistry Resource Room

Students taking any Chemistry course at Purdue can take advantage of the Chemistry Resource Room. Fifteen undergraduates and four graduate students staff the room, and are available to help students with concepts, homework, and studying. Past exams and homework problems also are available to students.

Phone: (765) 494-5310 Website: <http://www.chem.purdue.edu/rroom/>

Location: Wetherill Laboratory of Chemistry (WTHR) Room 117C

Division of Financial Aid (DFA)

The Division of Financial Aid is the office where students can find information about student loans, grant and scholarship opportunities, and student employment. Due to the high number of incoming calls the Division of Financial Aid receives in a day, it may be easier to e-mail questions to facontact@purdue.edu.

Phone: (765) 494-5050 Website: <http://www.purdue.edu/DFA/>

Location: Schleman Hall of Student Services (SCHL) Room 305

Math Help Room

Graduate Assistants and Teaching Assistants staff this room to help students taking any math course with homework and test/quiz preparation.

Location: Mathematical Sciences Building (MATH) Room 205

Office of the Bursar

The Office of the Bursar is where students can pay most of their bills, learn about tuition payment plans, fee rates, and refunds. The Office of the Bursar recommends e-mailing them at askbursar@purdue.edu to have questions and concerns addressed.

Phone: (765) 494-7570 Website: <http://www.purdue.edu/bursar/>

Location: Hovde Hall of Administration (HOVD) Room 14

Office of the Dean of Students (ODOS)

The Office of the Dean of Students is where students will find opportunities to join student organizations, seek counseling, and receive assistance from Adaptive Programs.

Phone: (765) 494-1747

Website: <http://www.purdue.edu/ODOS/>

Location: Schleman Hall of Student Services (SCHL) Room 207

Adaptive Programs

Adaptive Programs, a division of ODOS, provides services and programs to students with disabilities.

Phone: (765) 494-1247

Website: <http://www.purdue.edu/ODOS/adpro/>

Location: Young Hall (YONG) 8th Floor, Room 830

Office of the Registrar

The Office of the Registrar is where students can obtain copies of their transcripts, address registration concerns, and change student directory listing options.

Phone: (765) 494-8581

Website: <http://www.purdue.edu/Registrar/>

Location: Hovde Hall of Administration (HOVD) Room 45

Physics Help Room

The staff of the Physics Help Room work with students to help them better understand lectures, concepts, and themes associated with Physics 152, 241, 251, and 261.

Location: Physics Building (PHYS) Room 234

Purdue University Libraries

Purdue University has many libraries located throughout campus for students various needs. Hicks Undergraduate Library is considered to be one of the main libraries for undergraduate students.

Phone: (765) 494-6733

Website: <http://www.lib.purdue.edu/>

Location: Hicks Undergraduate Library (HIKS)

Purdue Writing Lab

The Purdue Writing Lab provides students with a grammar hotline, online help, one-on-one tutorials, and many other services.

Phone: (765) 494-3723

Website: <http://owl.english.purdue.edu/writinglab/>

Location: Heavilon Hall (HEAV) Room 226

Additional Resources on the Web

Purdue HelpDesk

The Purdue HelpDesk is an online resource that has information available to students on almost anything related to Purdue, such as questions about academic resources, how to get involved, and athletics.

Website: <http://www.purdue.edu/helpdesk/index.htm>

Purdue Maps Online

If students and families new to Purdue University are having a difficult time finding their way around campus, Purdue offers many maps, including bus routes, landmarks, and parking. To access these maps, visit the website listed below.
