SHAPE THE FUTURE
Your support will fund world-changing research, a transformative education and top-tier programs that prepare students for an innovation-based future.

COME TOGETHER
Through our exciting new digital community, you will be able to interact and share in the experience even if you aren’t on campus.

MAKE AN IMPACT
A generous matching program will allow your donation to go even further.

CREATE OPPORTUNITIES
Your contribution will allow the brightest minds access to an affordable Purdue education.

GIVE IN NEW WAYS
In addition to traditional donation methods, secure digital and mobile options will make giving easier than ever.

Move-in begins July 2014
Dedication on September 26, 2014
University Budgeting Update

Develop a 5-year budgeting/operating plan
- Accommodate *Purdue* Moves and *Student* Affordability
- 3-year tuition freeze
- Contingent on meeting enrollment targets

Continue to identify cost savings and to optimize resources
- 15% cap on uncommitted carry forward
- Managing faculty vacancies (sequestration)

Move to a new budget model
- Hybrid RCM
- 2-year process
Faculty Hiring Sequester

History

• Plans and recruitment status of HHS faculty searches submitted to Provost in early January 2014
• Sequester imposed in late January 2014

Summary of sequester on (19) HHS positions

• 4 not sequestered
• 8 ok’d to continue search
• 3 must seek Provost’s approval to proceed
• 4 sequestered and must seek approval of Provost

Positions outcome to date

• 10 filled; 2 offers pending; 3 active searches

Progress…

2014: 104 (53 HHS)
2013: 31 (29 HHS)

HHS programs represented 1/3 of Purdue’s 2014 spring break study abroad participants.
Research Funding Success

- $24,040,930 (Jul 1 – Feb 28, 2014)
- $8,760,655 ahead of same period last year

Drs. Christine Weber-Fox (left) and Anne Smith received a $3 million grant from the National Institutes of Health to understand why some children grow out of stuttering.
