Boren Awards Special Guest and Information
Wed, October 22, 3pm – 4pm, RAWL 2058

• Funding for national security and “critical need” language acquisition, study abroad and some domestic programs.

• Boren Scholarship, Boren Fellowship, Boren STEM, Boren African Languages.

• Freshmen, sophomores, juniors, seniors, graduate students

• Susan Sharp from Institute of International Education (IIE) visits Purdue from Washington D.C. to give direct advice about how to win this funding. The National and International Scholarships Office provides students with application assistance.
