Applications will be accepted until March 25, 2016

About Judy...

Judy was dedicated to the advancement of health promotion through the encouragement and mentoring of the graduate students in the Department of Health and Kinesiology. She was known throughout the department for her service and dedication to the students as well as for her professional achievements as a speech and language pathologies. She worked for the North White School district for 12 years and served as a Speech and Language Pathology Supervisor in the Department of Speech and Audiology Sciences at Purdue University. Following this, she helped senior citizens with their speech, language, and swallowing problems at Regency Place. Finally, she pursued a private practice because she had worked with people across the lifespan and wanted to help others who had a wider diversity of problems. In these pursuits, Judy has shown unrivaled service and tirelessly worked for the advancement of others.

Judy was instrumental in providing an environment whereby students could learn and grow. She would work behind the scenes in a supporting role to not only support the students, but also her husband, Dr. David R. Black.

Judy was committed to the advancement of public health in general and also subgroups such as peer helping and elimination of eating disorders.

We hope that this scholarship will continue her legacy as a role model for students to continue their advanced education endeavors.
About the Judy Kay Black Graduate Student Scholarship...

The Black family established the Judy Kay Black Graduate Student Scholarship as a tribute to Judy’s dedication to the advancement of public health. The student(s) selected for the award will receive a one time award of $1,000.
