February 4, 2016

Dear Graduate Students:

Please consider submitting an application for the **Templin Graduate Student Research Award**. Made possible by the generosity of two long-time members of our Health and Kinesiology family, Dr. Thomas Templin and Mrs. Sarah Templin, this award provides one or more $1,000 scholarships for the support of graduate research and/or travel activities. Health and Kinesiology graduate students within any degree program and from any program area are eligible to apply. An application form is attached.

Please submit your application to Mrs. Christy Daugherty, Graduate Program Coordinator, in the Graduate Studies Office (LAMB 115) or via email (hkgrad@purdue.edu). Applications are due **March 25, 2016**, after which a faculty committee will evaluate the materials and designate the award recipient(s). The winner(s) will be announced at our annual spring awards gathering.

Sincerely,

David B. Klenosky
Director of Graduate Studies
Templin Graduate Student Research Award

The Templin Graduate Student Research Award provides one or more $1,000 scholarships to graduate students in the Department of Health and Kinesiology to support graduate research and/or travel activities.
