Clifford B. Kinley Trust

The Clifford B. Kinley Trust was established in 1978 to fund research relating to human welfare and was activated in 1991 upon Mrs. Kinley's death. The competition is exclusive to the West Lafayette campus. The Kinley Trust competition is limited to faculty (tenure track/tenured, research) principal investigators (PIs). This endowment was established to fund research which uses a social science perspective to explore methods for improving the human condition.

- project period: one year
- maximum budget: $20,000 total costs

Due electronically by 12:00 noon on September 15, to HHS Associate Dean for Research (teegarden@purdue.edu); copy Kim Sagendorf (ksagendorf@purdue.edu).
