

## Most Commonly Used, Preventive Diabetic Supplies

- Preventive diabetic supplies are covered at 100 percent by the Purdue medical plans in 2015 and 2016.
- Below are listed the most commonly used preventive diabetic supplies as of Oct. 23, 2014.
- Changes to the list will occur over time.
- This list does not include all covered supplies, only those that are most common.
- To check on whether other supplies are covered at 100 percent and to view the most up-to-date information, go to [www.express-scripts.com/purdue](http://www.express-scripts.com/purdue).
