Dear [employee name]:

Our records indicate that you are currently enrolled in Accident Insurance through Purdue University (via Trustmark). Effective July 1, 2017, your Accident Insurance coverage will be provided through MetLife. **This change will result in reduced premiums for this coverage.**

Your coverage will be automatically transferred to the MetLife plan, effective July 1, 2017, and **no action is required by you**. Purdue has completed a careful analysis of the plan details prior to moving to the MetLife plan as compared to your current coverage. Please review the enclosed plan information for details on the MetLife plan. Please note that convenient payroll deduction will continue.

If you choose not to continue your coverage through MetLife, contact Human Resources at Purdue by calling (765) 494-2222, or via email at hr@purdue.edu, or secure email at www.purdue.edu/hr/help to explore the options available on your current coverage.

Soon you will receive a certificate in the mail from MetLife outlining your coverage details. Please review it carefully. If you have any questions or want to learn more, please call MetLife at 1 800 GET – MET 8, Monday through Friday, 8:30 a.m. to 6 p.m. ET.

Sincerely,

METLIFE’S ACCIDENT INSURANCE POLICIES ARE LIMITED BENEFIT GROUP INSURANCE POLICIES. The policies are not intended to be a substitute for medical coverage, and certain states may require the insured to have medical coverage to enroll for the coverage. The policies or their provisions may vary or be unavailable in some states. There is a preexisting condition limitation for hospital sickness benefits, if applicable. There are benefit reductions that begin at age 65. And, like most group accident and health insurance policies, policies offered by MetLife may contain certain exclusions, limitations and terms for keeping them in force. For complete details of coverage and availability, please refer to the group policy form GPNP12-AX or contact MetLife. Benefits are underwritten by Metropolitan Life Insurance Company, New York, New York. In certain states, availability of MetLife's Group Accident and Hospital Indemnity Insurance are pending regulatory approval.
