Enrollment Process

If you have not already done so, please visit www.cclc.com/familyconnection and choose “Create An Account” to begin our online enrollment process. We ask that all families complete this process by Friday, October 23rd. Please email us at purduekids@cclc.com or 765-430-1333 with any questions. We will also be in the center next Wednesday, October 21st for assistance.

If you have not signed the release at the front desk for Bright Horizons to transition forms from your child’s file to us, please do so at your earliest convenience. Once signed, Bright Horizons will provide us your documents. If there are any forms missing, we will follow up in the coming weeks.

Staffing Update

After providing offer letters earlier this week and holding a meeting on Wednesday, we are pleased to announce that the following teachers will be transitioning with us on November 1st. We are so excited to share this great news!

Jessica Walters, Alex Nacke, Carla Webb, Mindy Hollingsworth, Brittany Day, Cayla Bray, Jessica Daniels, Kim Frazier, Wendy Young, Melissa Rogiers, Kailyn Cox, Ashlee Tucker, Beth Rudisaile, Victoria Patterson, Natalie Marmolijo, Arie Sondgerath, Paige Miller, Janna Schorfheid, and Natasha Goins. Please join me in “welcoming” them to the center.

Additionally, we are actively recruiting for 4-5 other teaching positions and are aiming to have those filled throughout the month of November. As we hire new teachers, we will be sure to communicate accordingly.

CCLC Onsite

In addition to CCLC being onsite at the center next Wednesday, we will also be at the Community Center on Tuesday morning and Thursday of next week. On Tuesday afternoon, we will be at Freehafer Hall. During our time on Tuesday and Thursday, we will be busy with Center Director and Teacher Interviews. Should you need to meet with us, we ask, if possible, that you make arrangements to see us on Wednesday. Of course, we can make ourselves available on Tuesday and Thursday as well if necessary.

Transition Week

As previously communicated, we will be open on Monday, November 2nd. In order to ensure that we provide continuous service with no closure between providers, we ask for your patience over the first few weeks as we install new equipment, new signage, etc. We will also be hosting a social event during the first week – stay tuned for more information.

Center Director Search
We are actively pursuing qualified candidates both internal and external to lead the center. We will continue to keep you informed as our search progresses.

Questions From Parent Session

In response to some common questions that came up during our original parent meetings, please see the attached Q&A response sheet. Should you have any further questions or follow up to the attached, please let us know.

Client Corner

In two weeks, the transition from Bright Horizons to CCLC will occur! CCLC requested a longer transition and Purdue felt it was best to keep the transition short, therefore making November 1st the date of change. CCLC is working daily to get everything in order and in a shorter time frame than they are typically used to. Penny and her staff have been instrumental in helping this process go smoothly and we thank them again for their continued support.

Purdue would like to thank the staff and families for their patience with all the information and tasks to do in this short time. While there have been some bumps along the way, everyone has been great at asking questions and communicating how it can be easier. We are excited to know a majority of the staff are staying, the center director search is going well and over half of the families have already completed their enrollment papers with CCLC. Please know your child’s enrollment is guaranteed, you just have to complete the necessary paperwork for CCLC to have your family information in their system.

Please continue to reach out, ask questions and communicate how this process is going. We appreciate the feedback.
