Dear Families,

Our apologies for omitting information regarding potential closure during the transition from our email on Friday afternoon. At this point, based on our conversations with Indiana Child Care licensing, we believe no closure will be needed. We plan to open on Monday, November 2nd. Please let us know if you have any other questions or concerns.

Sincerely,

Your CCLC Team

Client Corner and Transition Update:

What a busy week it has been for all of us. Thank you to all the staff and families for their understanding and great questions provided to us as we announced and began to discuss the transition. Your input and partnership is important to us and we hope to continue the dialogue.

Purdue is pleased to announce that November 1st will be the transition date of the operations from Bright Horizons to Children’s Creative Learning Centers (CCLC) at the Patty Jischke Early Care and Education Center. After discussing with CCLC and Bright Horizons, it was determined a shorter transition would be in the best interest of the children, families and staff. CCLC is prepared to make this transition and many things are well on their way to assist in making this a smooth process for everyone involved.

Purdue would like to take this opportunity to thank Bright Horizons and especially Penny Zimmerman, Regional Manager. She has been instrumental in making this transition easy and smooth for everyone involved. In fact, Penny and Bright Horizons are planning to leave all necessary paperwork from children and staff files! That means, no one will have to request copies, they will simply remain at the center for CCLC to have for licensing. Another item that will remain at the center will be the walkie talkies – an integral part of the daily operations for staff. This is a wonderful gesture and we are so appreciative of the professional relationship we have established with Penny and her staff.

As you review CCLC’s timeline, please do not hesitate to ask any questions now or in the future. This entire process is a collaborative effort and as staff and families, you are a critical part.

News From CCLC:

CCLC will not be onsite due to prior travel and meeting commitments the week of October 5th. We will be back onsite during the week of October 12th and each week thereafter thru the
transition. Early next week, we will have specific directions out to parents on what steps they need to take in our enrollment system. As you may have read, all files will be left for us to transition. On Wednesday, October 14th, we will be onsite at the center to ensure we have all paperwork necessary from the families and answer any questions you may have about our enrollment process. Additionally, we can always be reached at 765-430-1333 or purduekids@cclc.com

We have met with just about every teacher and feel very good about our conversations. We will be having a follow up meeting when we are back onsite in two weeks to answer any questions. We will confirm all staff transitioning to CCLC as soon as possible

CCLC Calendar

- Week of 10/5: Not onsite (see note above)
- Week of 10/12: Onsite Tuesday, October 13th thru Thursday, October 15th. Exact locations TBD
- Week of 10/19: Onsite Tuesday, October 20th thru Thursday October 22nd. Exact locations TBD
- Week of 10/26: Onsite Tuesday, October 27th thru Thursday, October 29th. Exact locations TBD
