

# OUR BUSINESS IS STAFFING

We believe people are your most valuable resource.

At Elwood Staffing, we have high standards. Our goal is to bring applicants and employers into positive and productive relationships that meet the expectancies of both parties, solve problems and build careers. Our business is staffing. Our niche is the Light Industrial / Office-Clerical segment of staffing.

The very essence of our business is our ability to recruit, screen and select those employees who are capable, reliable and trustworthy of being in your facility helping you serve your customers. We work diligently to find the best possible positions for job applicants and the best possible employees to help hiring managers.

We set high goals, work hard and do what's needed to fulfill our clients' needs and solve our clients' problems. Call the one staffing firm that can provide the quality people, responsible service and true commitment to your success. Call (765) 482-9400.
