COUNCIL FOR MANAGER DEVELOPMENT CALL FOR NOMINATIONS

The Council for Manager Development (CMD) is a unique and long-standing professional development program that has served Purdue since 1956. Participants of the Council are given the opportunity to:

- Gain insight and understanding into the values, principles, and perspectives of key University leaders
- Learn about broad, complex and interdisciplinary University issues
- Build working relationships and open communication lines with staff from different areas of the University
- Exercise, initiate, and accept greater responsibility

Please discuss this opportunity with your leadership staff. If you have individuals who are eligible, interested, and willing to make a significant time commitment to professional development, please submit the name(s) for consideration to your Executive Vice President or Dean by June 25, 2012.

The CMD group is limited to twenty participants:

- Business Services/Housing and Food Services/Investments: 5 appointments
- Information Technology: 2 appointments
- Physical Facilities: 2 appointments
- Human Resources: 1 appointment
- Internal Audit: 1 appointment
- Supplier Diversity: 1 appointment
- Purdue Research Foundation: 1 appointment
- Provost: 2 appointments
- Other Areas: 5 appointments

For additional information, visit www.purdue.edu/LOD.

Criteria for CMD Nomination

Administrative/Professional Staff Member

Early in Purdue Career
(Typically 1 to 5 years)

High Potential
Excellent performance track record

Interest/Commitment:
Program requires approximately 200 hours over the course of 2 years

Elements of the CMD program

While on the Council, participants meet with key officers of the University, probe current issues, and prioritize them for further study. In addition, participants discover project management tools, understand data analysis, participate in team building activities, and learn about organizational leadership. They finish the program with a project requiring them to investigate, analyze, and devise recommendations before presenting findings to key University officers and interested members of the Purdue community.
