

Instructions to find the mailman lists you are subscribed to

<https://lists.purdue.edu/mailman/listinfo>

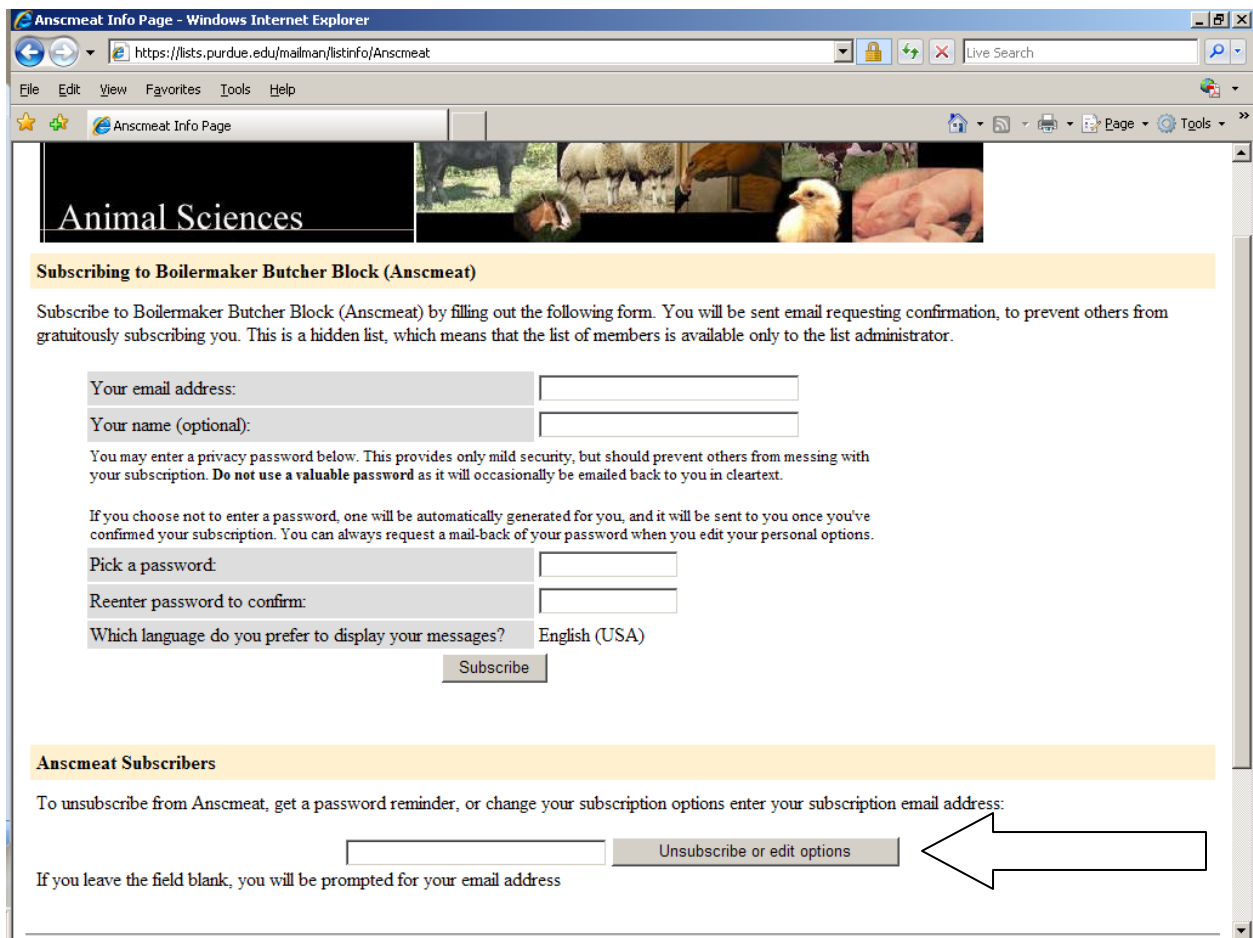

You need to know at least one list you are a member of. Once you find a list take the url below

<https://lists.purdue.edu/mailman/listinfo> and add */listname* (any list name you are a member of)

For this example we've used <https://lists.purdue.edu/mailman/listinfo/Anscmeat> Hit enter.

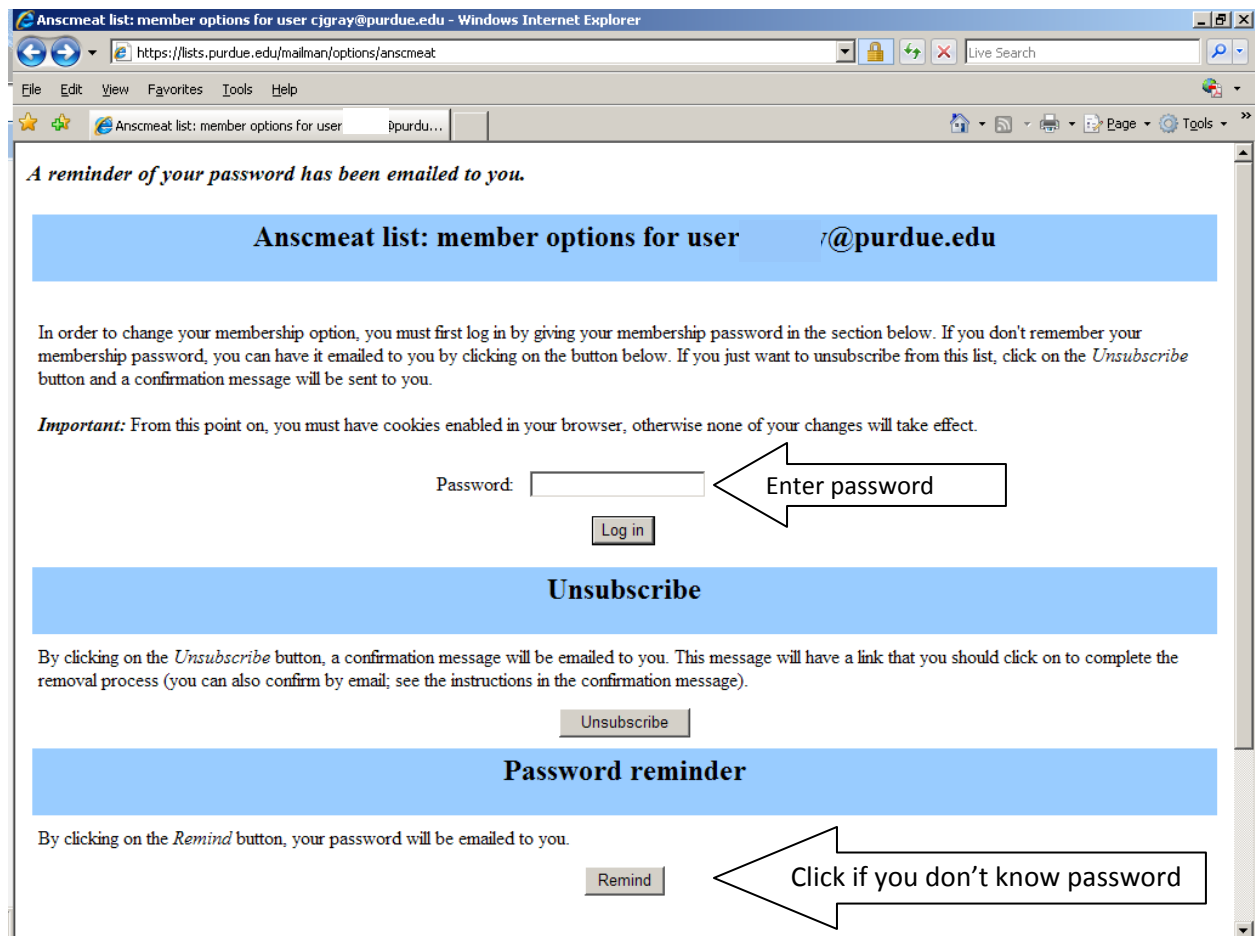

# Instructions to find the mailman lists you are subscribed to

A screen pertaining to the mail list you entered will appear. Enter your email address in the box at the bottom of the page

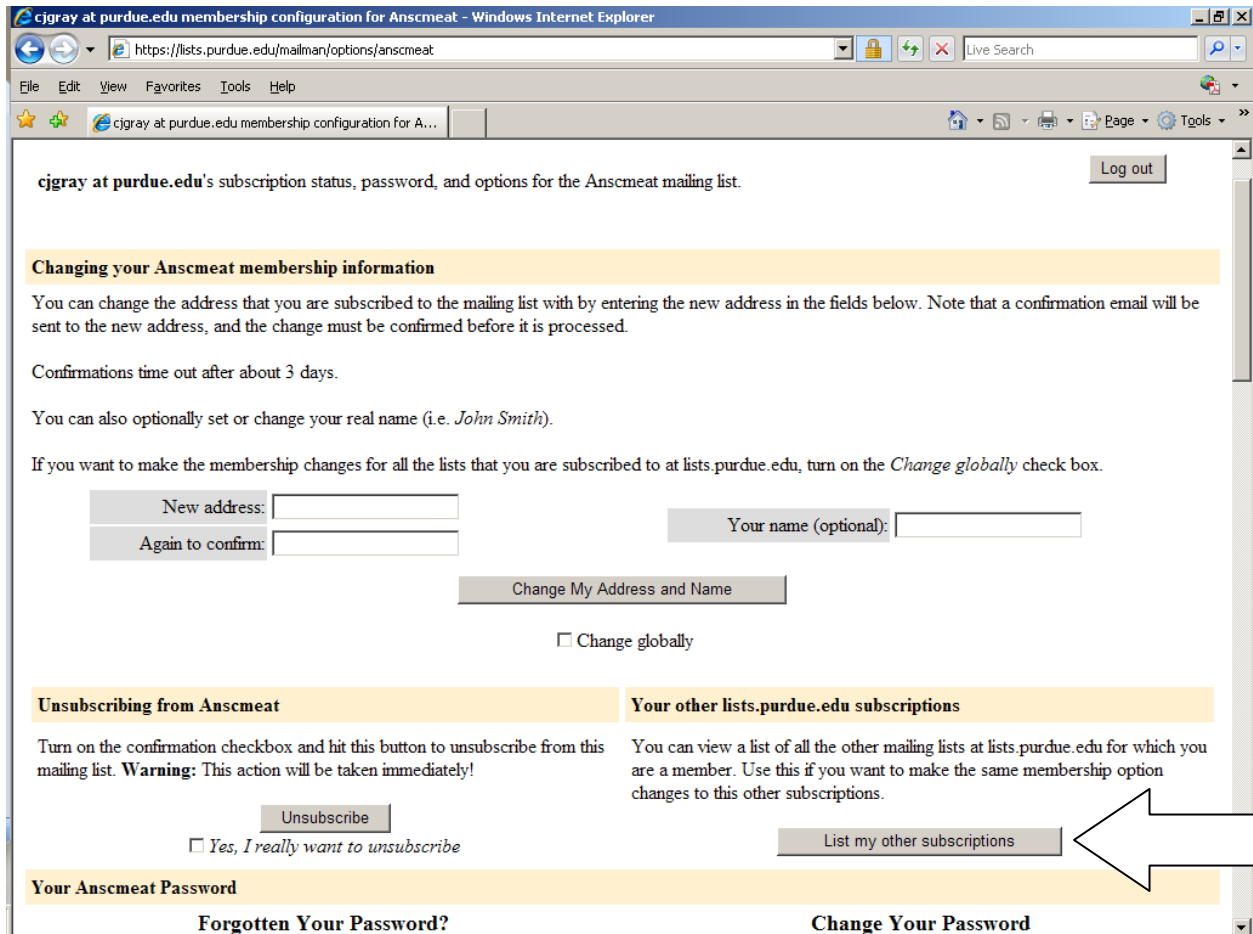

# Instructions to find the mailman lists you are subscribed to

This page will appear. If you don't know your password you can use the password reminder to get a password. Once you know the password, log in.

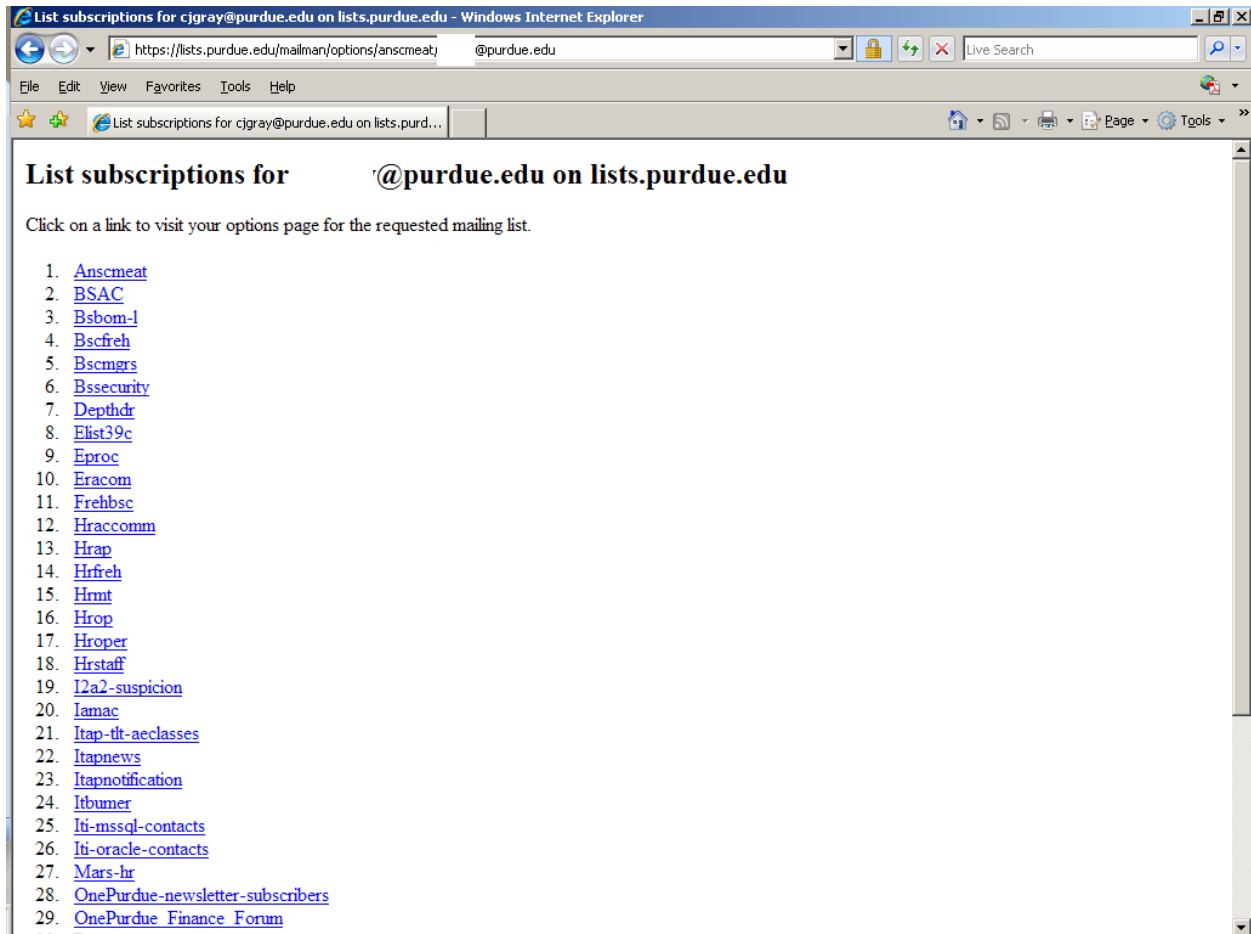

# Instructions to find the mailman lists you are subscribed to

Click on 'List My Other Subscriptions' button at the bottom right side of page.

## Instructions to find the mailman lists you are subscribed to

All the mailman lists you are subscribed to will appear.

To unsubscribe you need to go through the steps on pages 1 – 3 for each list you want to unsubscribe from.
