AISES National Conference  
Keynote Speaker: Billy Mills  
Phoenix, AZ

AISES is thrilled to announce that the keynote speaker for the Opening Ceremony will be none other than the inspiring Billy Mills!

Register now to see the one and only Billy Mills at the AISES National Conference!

About Billy:

Billy Mills was born and raised on the Pine Ridge Indian Reservation in South Dakota. Although Pine Ridge is very rich in culture and spirit, it is continually recognized economically as one of the poorest communities in America with unemployment reaching 80%.

Billy was orphaned by the age of 12 and sent to boarding schools. He graduated from high school at Haskell Indian School. Billy became involved in distance running and earned an athletic scholarship to
the University of Kansas. Never winning a major race in track and field or cross country, he continued
to show promise by his performances, making All American seven times. Upon graduation from the
University of Kansas, Billy was commissioned an officer in the United States Marine Corps., and
continued training for the Olympic Team. He made the Olympic team in two events, the marathon and
the 10,000 meter run. He had trained his body, mind and soul for “Peak Performance.” And the world
was about to see the greatest upset in Olympic history unfold.

Today Billy is an accomplished businessman, author, and National Spokesperson for Christian Relief
Services. As National Spokesperson, he has helped raise over 500 million dollars in cash and in-kind
for charities worldwide. He has received five honorary doctorates, and is the recipient of the
Distinguished Service Citation, the highest honor that the University of Kansas Alumni Association can
bestow upon an individual to acknowledge outstanding achievement for the betterment of mankind. A
major motion picture has been made about Billy, titled “Running Brave,” and has been a positive
influence on many of our American youth. Billy Mills was recognized on several end-of-the-millennium
lists, including being chosen as Sports Illustrated’s Athlete of the Century for the state of South Dakota.

In 2013 Billy won the second highest honor that is awarded to a civilian - the Presidential Citizens
Medal from President Obama. On January 17, 2014 the National Collegiate Athletic Association
presented Billy the highest award they give to an individual: The Teddy Roosevelt Award. On October
27, 2014 Billy was honored at the Anti-Defamation League’s Concert Against Hate at the JFK Center.
In May, Billy received the 2015 Lifetime Achievement Award by the Presidents’ Council on Physical
Fitness, Sports and Nutrition.
