B. Dropping of Students for Scholastic Deficiency

A student on scholastic probation shall be dropped from the University if, at the close of any regular semester, his/her graduation index is less than that required of a student as shown in Table B or he/she receives failing (F) grades in six credit hours or more for the semester.

This rule shall not apply for the semester in which the student completes all requirements for his/her degree. However, records of a degree recipient who does not meet the minimum index requirement of Table B shall be reviewed by the appropriate campus readmissions committee before he/she is allowed to pursue another undergraduate degree.

Any grade change due to a reporting error will result in a recalculation of the index and determination of drop status.
