The Official Newsletter of Purdue's Clerical and Service Staff Advisory Committee

CSSAC Excellence Award presented

Aggie Ward is the winner of the 2014 CSSAC Excellence Award. The award, which recognizes clerical and service staff members who perform at outstanding levels, was announced and presented during a Clerical and Service Staff Advisory Committee luncheon Sept. 9 at Purdue Memorial Union. The luncheon honors outgoing and new CSSAC members.

Ward is a secretary in the Department of Curriculum and Instruction. She received a plaque and \$1,500. There were no nominees in the service category for the award this year. The annual award was created by CSSAC and is sponsored by the Office of the Treasurer and Chief Financial Officer and the Office of the Provost. A CSSAC committee selects the winners.

October, 2014

Advising
Purdue
administration
on important
issues relating
to clerical and
service staff
members

QUESTIONS? CONCERNS? Contact the Executive Committee!

One objective of the CSSAC Executive Committee is to provide a confidential mail service for staff to address concerns, problems, or suggestions. Each submission shall receive a confidential, personal reply. Submissions can be made through the CSSAC Committee website or by filling out the printed form (at <http://www.purdue.edu/cssac/Bridge/>). The Executive Committee meets monthly to discuss all submissions and then works with the proper Purdue resource to answer them quickly, confidentially and correctly. The members of the Committee welcome your participation in this service and look forward to assisting you.

Featured Vendor

As the colder weather moves in, you may consider getting your furnace ready for winter. What if your furnace is checked and it needs repair or even replaced? Remember the CSSAC committee has a contracted discount with Lafayette Heating and Cooling. You can receive 5% off service repairs (does not include diagnostic charge) or \$100 off a new heating and air conditioning purchase. Lafayette Heating and Cooling is located in Lafayette and services Delphi, Lafayette, and West Lafayette. Before you get stuck out in the cold, call (765) 588-5955 or go to their website (<http://lafayette-heating.com/>) to schedule an appointment.

CSSAC Retreat

Several CSSAC members were able to attend a retreat at Camp Tecumseh sponsored by HR in August. In addition to a good time, we were able to participate in many professional development exercises, including team-building and learning to communicate more effectively.
