UK and Ireland Scholarships Week
March 9-12, 2015

Purdue’s National and International Scholarships Office assists qualified Purdue students applying for select prestigious scholarships. Join us these events to learn about UK study opportunities.

All sessions are located in BRNG 1284.

**Which UK or Ireland Awards Fit My Goals?**
Each scholarship has a unique profile. This session gives an overview of the awards to help students assess which ones meet their individual goals.

**Churchill Scholarship**
This scholarship funds graduate programs in the sciences, engineering, and mathematics at Churchill College, University of Cambridge. Requires U.S. citizenship.

**Gates Cambridge Scholarship**
Outstanding intellectual ability, leadership, and a commitment to improving the lives of others are key qualities of a Gates Cambridge Scholar. This session will help you begin to assess if you would be a good fit with this scholarship and with any major at University of Cambridge. Open to all non-UK citizens.

**Marshall Scholarship**
This scholarship funds graduate level study for future leaders. Marshall Scholars will further US-UK relations through study at any UK institution and into their future careers. Requires U.S. citizenship.

**Rhodes Scholarship**
Your work at Purdue and beyond can bring a Rhodes Scholarship within reach. This scholarship for study at University of Oxford fits students with leadership potential and commitment to the common good. Open to U.S. citizens or permanent residents.

**Mitchell Scholarship**
Future American leaders connect to Ireland on a Mitchell Scholarship while fostering intellectual achievement and a commitment to community and service. Requires U.S. citizenship.

**2016-17 all UK and Ireland Scholarships Application Callout**
This session will outline the application timeline, process, requirements, and NISO resources available to assist you in applying for 2016.
