Fulbright Meet and Mix
All students, undergraduate and graduate, curious about the Fulbright US Student Program, join us for this fun and informative event. Students attending Purdue from around the world on a Fulbright look forward to sharing their experiences and talking about their home countries over drinks and snacks.

Fulbright Program—Explore the Options
Fulbright U.S. Student Program grants offer over 1,900 fully funded opportunities for U.S. citizens to study, research, or teach abroad.

This overview introduces the Fulbright Program and tells you how it can fit into your long term goals. The session is geared to all, from freshmen to graduate students.

English Teaching Assistant Program
Juniors, Seniors and graduate students! Excited by the prospect of teaching English to non-native English speakers? English Teaching Assistants also serve as U.S. cultural ambassadors in over 130 countries. Join us to learn more about applying for K-12 to university level classroom experiences throughout the world in 2016-17.

Research and Study Grants
Juniors, Seniors and graduate students! Conduct independent research abroad or study at an academic institution in a foreign country. Join us to learn more about applying for Fulbright Program academic grants for 2016-17.
