ONLY AN ACADEMIC ADVISOR SHOULD COMPLETE THIS FORM. (Please print legibly.)

PUID	Last Name	First	Middle	email
------	-----------	-------	--------	-------

- **Electronic devices are not allowed in the testing center.** This includes cell phones, pagers, PDA's, headsets, earplugs, recording devices, translators, etc. Please do not bring these items, as it could jeopardize your test being scored for credit.
- If registered in a course for which the Credit/Placement Exam is being taken, students are responsible for attending class and completing all work in that class until they find out if they have passed. If they pass, students should make sure the course is dropped.
- **Calculator restrictions: Math 153, 154, 159, 220, 221, 222, 223, & 224** exams only allow a **one line**, non-programmable, calculator. **Math 138, 152** exams are restricted to a one or two line non-graphing, non-programmable calculator. **Students taking Math 137, 139, 165, 166, 261, 262 & 265 are not allowed a calculator. GRAPHING CALCULATORS ARE NOT ALLOWED FOR ANY MATH EXAM.**
- For **chemistry** exams, any type of calculator may be used.
- **Physics** students are restricted to a one- or two-line display, non-programmable calculator.
