

February 5, 2007

Dear Colleague:

The first OnePurdue launch is just hours away. All Purdue campuses will begin using the OnePurdue financial system at 8 a.m. EST, tomorrow, February 6. During this complex transition, providing assistance and support to all users of the systems is our highest priority.

The OnePurdue User Support Center is available from 7 a.m. to 7 p.m. every weekday through February 16, and from 7 a.m. to 6 p.m. thereafter.

I encourage you to visit the OnePurdue Support Web page at <http://www.purdue.edu/onepurdue/support> to learn more about the many means of assistance available. For users who need additional assistance, personal help is available by sending an e-mail to onephelp@purdue.edu or by calling (765) 494-6000. Additional telephone numbers for campus-specific questions are listed at the OnePurdue Support Web page.

For ongoing OnePurdue-related information, please visit the OnePurdue Web site at www.purdue.edu/onepurdue.

If you have questions about this message or about the OnePurdue project, send them to onepurdue@purdue.edu.

Sincerely,

Morgan R. Olsen
Executive Vice President and Treasurer
