Employee Search

Perform this procedure when you want to search for and view Purdue employee data.

When you click on the “Employee Directory” link, you will be redirected to the ITaP People Search Web site.

Enter the last name of the person for whom you’re searching and click the button.

In some cases, you will receive a message that your search has returned too many entries. In those situation, you should enter both the first and last name.

Your search results will appear below the search box.

To search for another person, type another last name in the “Search” field.

To exit, click the button in the upper-right corner of the window; this will close the People Search page. The Employee Search overview page of ESS will remain open.

To exit Employee Self-Service from this page, click the tab located in the upper-right corner of the screen.
