- Rita Pierson, Educator
OUR WHY

• We want our residents’ brains to continue working when they enter the residence hall.

• They should practice, either through homework or discussion with peers, what they learned in class.

• They are developing as adults and need to have a space to talk about and experiment with new ideas about their world and themselves.
• RESIDENT ASSISTANT (RA)

• UR GLOBAL PEER EDUCATOR

• RESIDENCE EDUCATION COORDINATOR (REC)

• AREA COORDINATOR (AC)

• Our RAs are academic and personal development support agents. The 2015/16 Purdue Man and Woman of the year were both RAs.

• Our Hall Clubs and Residence Hall Association boast some of the most impressive leaders on campus.

• Our residents continue to outpace their off campus peers in measures of academic success.

• Our numbers continue to increase. Students want to live with us because they know the value we add to their Purdue experience.
• You will receive your hall assignment on or about July 15th at Purdue Email account.

• Communities that are open over winter break: Cary, Hilltop, Purdue Village, First Street Towers, Hawkins, Harrison and Wiley
