

## PROJECT NOTIFICATION

NOTICE IS HEREBY GIVEN that Purdue University (401 South Grant Street, West Lafayette, IN 47907) will be undertaking a project for the following scope of work:

Furnish labor and material to demolish and remove the old block office building and any leftover contents of the building. The building is approximately 18' x 24' x 11' high to the eave line of the roof. Walls are concrete block with a concrete foundation. Demolish and remove (2) concrete stoops with steps and hand rails, with sidewalk on the north side, and wood lean-to with access to the basement on the south side. Back fill area with soil in 12" lifts to 95% compaction. Legally dispose of all demolition debris. Provide erosion control to protect the creek from any sediment.

Remove all septic pipe between the building and septic tank. Pump out septic tank and fill with sand or completely remove septic tank and back fill area with soil in 12" lifts to 95% compaction. Cut and cap waterlines.

Excavate to install 6" of #53 gravel for new driveway and parking area for department's trailers. Outline of new parking area to be from the sidewalk north to 12' south of the steps on the south, and 3' out from the east wall. All other disturbed areas to receive 6" of topsoil and seed.

**Note:** Department to remove the large pine tree to grade on the west side of the building. Contractor to remove the large pine tree stump and any undergrowth.

**Note:** Overhead power to the building to be disconnected by Purdue before demolition of the building begins.
